

Possible Foul Play In Death Of GC Man

Edward Lee Jones, 23,
Found On Rear Seat Of
Car At Chouteau Slough

Following an autopsy revealing a fractured skull along with bruises and cuts, a coroner's inquest will be held next week in the death of 23-year-old Edward Lee Jones, 2828 Grand avenue.

While Deputy Coroner Henry Pieper said today there was a definite suspicion of foul play, the investigator for the state's attorney office, Richard Allen, said an investigation is under way to determine if the skull injury might have been caused by a fall. It was learned, he said, that Jones had climbed out of a companion's auto on Warracloe and while vomiting had fallen to the roadway.

"The investigation now under way," Allen said today, "should determine if foul play was a role in Jones' death. If there is a possibility, the case will be presented to the grand jury next week." He added that no arrests have been made, but local and county authorities have been questioning persons who had been with Jones Tuesday and early Wednesday.

Found In Auto
The local youth was found at 11 a.m. Wednesday on the rear seat of a companion's automobile on the Chouteau Slough near the intersection of Phillips Street, 23rd and 47th Warracloe avenue, who told authorities Jones had been using an auto owned by a friend, Anderson, 1905 40th avenue, and who (Jones) had parked the car near the home of a friend with whom he was staying.

When he went to the car about 10:30 a.m. Wednesday, the statement continued, he discovered Jones unconscious on the back seat and summoned Anderson, who was in the Chouteau Slough area.

The vehicle, otherwise unoccupied, was not taken to the Chouteau Slough tavern, Jones was pronounced dead on arrival at St. Elizabeth's Hospital. Granite City physician after making a preliminary examination, turned the body over to the coroner's deputy.

An autopsy was performed last night with findings, which, when taken into account, prompted an inquest.

The unemployed youth, who worked in the Granite City auto body shop, was the son of Frank and Esther Jennings of the Grand avenue address. He had left home early Tuesday, a family spokesman said today, and telephoned his mother at around 6 that evening.

Had Been Ill
Given to vomiting and believed by members of the family to have stomach ailments, the young man entered St. Elizabeth's Hospital Tuesday.

Crackdown On Broadway Speed Law Violations

A crackdown on speeding law violations along Broadway was put into effect by Venice police this week following completion of blacking resurfacing of the street.

Nine tickets had been issued through this morning, with violations scheduled for Saturday. The speed limit varies from 35 to 30 to 25 miles an hour along the street.

Lively Debate At Meeting On Manager Election

A lively debate over the Oct. 24 managerial government proposal was held last night at the first of two public meetings to be sponsored by the Citizens for Council-Manager Group, held at the YMCA, the meeting attracted about 40 persons, including several city council members.

Advantages of the plan were stressed by Clarence Henry, chairman. Dr. Leo Coleman, secretary-treasurer, and Clifford Alcott of Bloomington, Ill., who reviewed the eight-year history of council-manager government in Bloomington.

Many members of the audience disputed the claims, and Waldo E. Schellenger, Citizens for Council-Manager chairman, succeeded in securing the floor for an address opposing the manager plan.

Mrs. Dorothy Geroff, one of the spokesmen for a group of ladies, said she was "not a fan" of the plan, comparing the opposition to council-manager to their opposition to the plan in the past.

February Primary If Manager Plan Is Voted

Seventh in a series, today's article tells the sequence of elections that would occur, and discusses the advantages of the managerial government would bring.

Would Granite City have a mayor in the city, the city would have a mayor in the city, the city would have a mayor in the city.

Yes, a decisive voice, although their wishes could be temporarily delayed by Granite City council.

In any case, adoption this month would require two elections on Tuesday, Feb. 14, 1961, and on Tuesday, April 4, 1961.

The February primary election would include races for mayor, four council members—and the city clerk and city treasurer, unless the city council voted to make these two positions appointive by the mayor and council.

Based on the number of votes received in the primary, the top two mayor candidates, the top two council candidates, the top two city clerk and city treasurer candidates would be placed on the April ballot.

Winners would receive four-year terms, except that the two council winners with the lowest totals—those finishing third and fourth in the voting—would receive initial two-year terms. The regular four-year period would prevail thereafter.

The superintendent of streets position could remain elective or the council could make it a position appointed by the manager. The council would have some latitude in defining the powers of the manager, but in general would be guided by the Illinois Municipal Code.

Could Put In Effect At Once
State law specifies that with public approval on Oct. 24, the council could immediately put all

Names For 2 Grade Schools Selected

Maryville, Wilson
Chosen; Fehling Road
Traffic Exit Studied

Naming of schools and a continued study of traffic in school areas occupied the Granite City school board during much of its meeting Tuesday night. Maryville and Wilson were chosen as the one-word names of the elementary schools located on Maryville road and Wilson avenue.

Expansion of parking facilities into the area between Coolidge junior high school and the high school gymnasium building received favorable comments, but action was deferred until traffic studies can be completed.

An access route connecting with Fehling road near Namekiki road may be sought.

The decision on names for the two grade schools, opened in the fall of 1959, was reached on Tuesday afternoon and evening with a visit by the Democratic aspirant, Judge Otto Bitter of Chicago, incumbent Gov. William G. Stratton, Republican candidate is scheduled to arrive this afternoon.

Traffic Delays
In reviewing school traffic, board members noted long morning delays on Namekiki road despite police supervision.

It was concluded that present traffic exits should be widened, a roadway should be built on the school grounds to a point on Fehling road, and that separation of the Coolidge and gymnasium entrances should be considered.

The board expected a map showing 50,000 square-foot parking area between the two buildings, immediately west of the present 55,000-foot lot. Possibility of eliminating part of the southern end of the present lot was discussed as a means of improving the gymnasium appearance.

A long discussion was held on traffic control at 20th street and Madison avenue, and Harold

"Governor Candidate Week" in the Quad-Cities got underway yesterday afternoon and evening with a visit by the Democratic aspirant, Judge Otto Bitter of Chicago, incumbent Gov. William G. Stratton, Republican candidate is scheduled to arrive this afternoon.

Stratton, who is scheduled to arrive this afternoon, is expected to arrive this afternoon.

Beat The Deadline
It wasn't a lineup for World Series tickets, nor was it a bar-gain sales event at 3829 Namekiki road, Monday night.

It was deadline time for voter registration for the Nov. 8 general election, and the home of Mrs. Irene Snider, a registered voter, was a busy place.

An unofficial count of Quad-Cities new voters registered during the summer and fall period indicates a tremendous

Ishum Sentenced For \$400 Holdup At Local VFW Club

A guilty plea to an armed robbery charge, made Monday, by a young man, resulted in a sentence to a two-to-three-year term in a state penitentiary for a \$400 robbery last July 13 at the local VFW Club.

Ishum, a former Granite City resident, was sentenced to a two-to-three-year term in a state penitentiary for a \$400 robbery last July 13 at the local VFW Club.

Assistant State's Attorney Burton Bernard said Ishum was an "uncooperative" witness in the charge against Thwaitt, and he was "highly unlikely" a convicted felon.

Thwaitt's plea of guilty in the robbery case, which was held in the Granite City court, was a surprise.

Berry, a St. Louis hoodlum, was convicted by a jury in the circuit court on the Edwardsville burglary charge, and he also is serving a prison term for a \$6000 stickup at Jacobsmeyer's tavern in 1958.

The case against Thwaitt was nolle prossed after Ishum was sentenced by Circuit Judge Harold R. Clark.

Surrendered To Police
Ishum had surrendered to local authorities the day after the July 13 holdup at the VFW Club in which he used an icepick as a weapon in forcing the club bartender, Roy Glasson, to open the cash register and surrender all currency.

Public Defender Austin Lewis said the case against Ishum was dropped after serving 30 months on a charge of assault with a deadly weapon in connection with the shooting of Otto Valencia of Granite City in a tavern on Chouteau Slough road.

A burglary-larceny charge against Curtis Adrian Ray of Granite City was dismissed when the court was informed the defendant faces prosecution on a federal charge. Ray was charged with taking a television set from a West Granite home.

Another case dismissed by the court involved armed robbery and robbery charges against Leon Samarasen and Edna Eugene Keel of Granite City.

Beat The Deadline Over 500 Register On Final Date To Vote On Nov. 8th

More than 2300 new or re-registered voters on the polling lists.

Mrs. Snider registered some 200 eleventh-hour signers Monday and for a time a line of registrants extended from her front door for a considerable distance along her block.

Awakened By Voter
One last caller got her out of bed later to go through the process of registration. Mrs. Snider obliged, but said her good nature was somewhat tried.

A note of the hour, however, in the event there is any question as to legality.

The activity on Namekiki was somewhat indicative of the last day registration scene Monday at other Quad-Cities centers as voters got under the wire to insure them of the right and privilege to vote.

From unofficial tabulations, approximately 512 Quad-Cityans had their names added to the polling lists in the last 24 hours. The beginning of registration for the November balloting, the number of additions here is upwards to 2300 and probably beyond.

Up to a lot of change of address work.

Advanced Echelons
Expected To Submit
'Encouraging' Report

The butcher, the baker and, mayhops the candlestick maker will converge on the YMCA at 6:30 this evening for the campaign workers' send-off launching the Tri-Cities Area United Fund drive.

Representing the trades, professions, industry, labor, commerce, homemaking, the arts and education, here will meet volunteers who are enlisted to raise \$285.46 in UF subscriptions for 18 health, welfare and character building agencies of the area.

While the 6:30 dinner hour corresponds with the third in the televised series of Kennedy "great debates," it will not prevent the UF forces from seeing and hearing the presidential contenders.

A number of TV sets will be installed in the gymnasium, and the dinner and the "at hand" will be the top of the debate. These "riders" have returned with gifts and contributions something in excess of that of a year ago.

And this is heartening in view of the fact that this year's total is roughly 10% above that of last fall.

Expect 250 To Attend
Solemnizer has issued invitations to 400 volunteers to attend tonight's dinner. To be held at the gymnasium of the Y, the turn-out is expected to reach 250.

Not only will the "top brass" campaign command be on hand, but on the military, there is to be a short address by Col. Jack C. Jeffrey, commander of the Granite City Engineer Depot.

In overall command is Chairman James L. Hamilton Jr., and he and his adjutants, aide-de-camp and lieutenants will be on hand to spur on the troops.

Overed by the Veterans' Homecoming and Memorial Association, the old building is to be used due to its appearance and also to serve as a parking lot for a larger building owned by the association at Third and Broadway.

The Venice department presented indoor demonstrations on fire hazards Wednesday morning before an assembly of Venice grade and high school students and yesterday afternoon at Blair grade school. Industries and their fire safety.

Venice Building To Be Burned In Demonstration

Venice firemen are in the midst of busy operation of Fire Prevention Week, which will be climaxed with public demonstrations of firefighting techniques between 10 a.m. and 1 p.m. Saturday at a one-story frame house to be burned down at 220 Broadway.

Parts of the building will be set afire and then extinguished through various methods during the demonstration, and explanations will be given to the public. Chief Michael Leatherman Jr. has announced. Hints on fire prevention also will be given.

Owned by the Venice Homecoming and Memorial Association, the old building is to be used due to its appearance and also to serve as a parking lot for a larger building owned by the association at Third and Broadway.

SIU President To Speak At Bond Issue Rally Oct. 27th

Dr. Delyte W. Morris, Carbonale, president of Southern Illinois University, will address a communitywide pro-university bond rally-dinner Thursday, Oct. 27, at the YMCA. A turnout of upwards of 400 is anticipated.

Sponsored by the Citizens Committee for the University Bond Issue, the rally is geared to win voter ratification of the University Bonding proposal at the Nov. 8 election. Banquet time will be 6 p.m.

Of the proposed sum for expansion of the state's universities, \$25 million has been marked for SIU's Edwardsville campus. This will enable the Madison county center to schedule a full, four-year collegiate curriculum. It was pointed out today by Andrew Gasparovic, 111, chairman of the Citizens Committee.

He and Atty Leon Scroggins are collaborating in reading dinner-rally plans, in addition to others.

It was announced today that banquet invitations have been forwarded to Quad-Cities business, labor, the professions, industry, management, PTA, club, fraternal, educational, service organization, trades and social representatives.

A tea is scheduled for the afternoon at which Dr. Morris will meet Granite City teachers.

Free Bus Ride To GOP-Nixon Rally At Springfield

The Granite City Republican Organization is providing free transportation Saturday for voters who wish to attend the Nixon-Overland Trek rally, parade and Hollywood-TV entertainment at Springfield.

Highlight will be the 9:30 p.m. address by Vice-President Nixon.

C. Luther Rudder, GOP organization chairman, said today a 53-passenger bus will leave the Republican headquarters at 1363 Niedringhaus avenue at 9:30 Saturday morning.

He invited all who wish to attend the capital city to avail themselves of the transportation service. Return will be following the vice-presidential address.

Tour Of Lincoln Land

Rudder explained today that the morning program will include tours of Lincoln land. In the afternoon, a giant parade of 40 floats and 17 bands is scheduled, followed by an old-fashioned barbeque at the State Fairgrounds.

Rudder said, buffalo meat will be served.

Then—and also all for free—will be a "lavish" program of Hollywood, TV and WLS Barn Dance stars and personalities.

The Nixon campaign talk on the books as a major one—is set for 9:30 p.m. Mrs. Nixon will accompany her husband to Springfield.

Republicans from a five-state Midwest area are expected to converge on Springfield Saturday, according to Rudder.

Old-Time Rally

He said that since Springfield was so particularly appropriate for an old-time political rally, the Saturday program had been fashioned with this in mind.

"It will be a really roaring, old-time GOP rally, such as your fathers' talked about," he explained. "Parading floats and bandmen, coupled with 'name' stars and, of course, our party's leader, should practically inundate Springfield with Republicans."

And that, according to Rudder, is all so good, campaignwise.

Daughter Rev., Mrs. Branch Dies At Lincoln

Joy Marie Branch, 7, daughter of the Rev. and Mrs. Earl Branch, 2625 Lincoln avenue, Granite City, died early today at a Lincoln (Ill.) hospital.

She had been there for six years, entering at the age of four months.

The Rev. Mr. Branch is a Pentecostal evangelist.

In addition to her father and mother, she is survived by a sister, Janet Rose Branch; three brothers, Earl, David, Branch, Granite City; Shirley Leon Branch, Birmingham, Ala., and James Earl Branch, in Navy service in Japan; a grandmother, Mrs. Grace Murphy, Granite City, and two other grandparents, Mr. and Mrs. Amos Whitworth, Eureka, Mo.

Fog Causes Minor Crash On Route 162

A minor accident on State Route 162 about 8:30 a.m. Tuesday was attributed to the morning's dense fog.

State troopers reported that a

car driven by Dora Danner, 48 of Roxana was preparing to make a left turn into a driveway at Stallings when a large tractor-trailer truck loomed out of the fog and struck the rear of her auto.

The troopers said damage was

slight—\$100 to the car and \$25 to the truck—and no one was hurt. The fog was extremely dense at that point, according to the report.

Defensive Play of Becker and Boyd Were Top MHS Efforts Against Dupo

Defensive play was once again Madison Football Coach Glen Pickering's one strong talking point this week after the Trojans dropped a 14-0 decision to Dupo last Friday, and his choice of "back and lineman of the week" reflected his thinking along those lines.

Actually, Pickering singled out two linemen for recognition this week: They were Center Fred Becker and Tackle Willie Boyd.

Becker was used principally on defense as a linebacker, and sparked as he interpreted two Tiger aerials, running them back a total of 58 yards. He also batted down a third pass. Becker is a 160-pound senior.

Boyd, heaviest member of the Trojan squad at 275, punched two both ways and was the evening at left tackle against Dupo in what Pickering called

"by far his best game of the year."

He led Madison linemen in tackles and moved his bulk around surprisingly fast, several times crossing over to the opposite side of the line to make stops on defense. Ineligible last season, Boyd won the lineman award for the first time in his career. Becker's award also was his first.

King Heads Teenage Diving Organization

Robert King was elected president of the Kingfisher Diving Club, local teenage group, during a meeting of the organization last night at the YMCA. King will take office at the club's next regular meeting on Oct. 19, together with the vice-president, Miss Marilyn Murgie, and secretary-treasurer, Quentin Hoover. Miss Darlene Ritz was appointed corresponding secretary.

During the meeting, Craig Holt topped other divers in a written examination on practical diving in competition for the YMCA-sponsored trophy, which is awarded to the "diver of the month."

Gehlert 6th in Class At Sailing Regatta

Robert Gehlert, 217th Cavalry, piloted his "Mistle class sailboat" to a sixth-place finish in his division during the 6th annual invitational Missouri Governor's Cup Regatta at Lake of the Ozarks, which was announced this week.

Gehlert is a member of the Harbor Boat Yacht club. Nine-year-old sailing craft competed in nine racing classifications during the regatta, which is sponsored by the St. Louis area Sea Scouts and Valley Sailing Association.

Doctor's Home Entered List of Looting Autos

The home and office of Dr. Edward H. Droege, 1350 Twenty-fifth street, was entered and his office, waiting room and the kitchen at the home were ransacked, according to a report received Monday afternoon by Granite City police. The break-in was discovered by a relative who said a basement door glass was smashed. It was not ascertained if anything was taken.

An apparent break-in attempt at Updike's Service station Nanticoke road and Venice avenue was thwarted about 11:20 p. m. when Granite City police were notified a window at the rear of the station had been broken with a rock.

Officers were told two men,

Scoreless Civic Memorial Host To Winless Madison Tomorrow Night

Barring an unlikely tie, somebody's losing streak is bound to continue on tomorrow night at the Civic Memorial football gridiron in Bethalto. Visiting Madison, winless in four games but possessor of one tie, takes on the Eagles, who have dropped four straight and have not scored a touchdown in this season.

Bethalto, unable to muster enough steam to trip the Trojans even once in the seven games the squads have played, still hoping to find consistent scoring punch. The Trojans have scored only one touchdown in conference play, and just three all season.

Frank Kitchin will be switched from fullback to blocking wingback tomorrow in the Eagles' wing offense, which Junior Ed Young gets a chance to operate from the fullback position. Kitchin, fastest back on the club, has been moved to left half, where Pickering was able to make better use of his speed.

Fred Becker, used almost exclusively as a defensive back, has been moved in at offensive left half, the only change from the team's previous lineup. Up front, when the Trojans had the ball, the line consisted of Merv Gravelle, who calls the signals when MHS moves on the ground, will start at quarterback. Kitchin also is looking for the Madison line to provide better pass protection for Pettit, who was ejected last week for dozing in his yardage on his own. Still, his rushing average is about 4.2 yards per carry.

The Eagles have an adequate thrower in Halfback Dan Hoffman, but haven't taken to the airways to any great extent in four games, all of which have been shutouts.

Wood River stunned the Trojans in the opening game of the season, 47-0. Follow-up winners have been Jerseyville (15-0), Hannan (40-0) and Cahokia (27-0). Madison and Cahokia played to a 6-6 tie two weeks ago.

Two Fined For Looting Autos, More Reported

Fines totaling \$225, of which \$150 was suspended, were levied yesterday on two Granite City Engineer Depot soldiers arrested early Wednesday morning after police received a complaint that autos parked along Illinois avenue were being looted.

After being fined on charges of tampering with a motor vehicle and disorderly conduct, Walter W. Ostrander, 21, and George R. Brown, 19, of 738th Engineer Co. were sent over to military authorities.

Chief of Detectives James R. Lowder said two reports of the auto looting were received at police headquarters yesterday morning, and the two soldiers made statements, admitting they had entered the parked autos.

Ketrel Sims, 2449 Illinois avenue, reported at 8:30 a. m. that an auto radio, set of midsize socket wrenches and two pairs of gloves were taken from the trunk of his 1935 auto; while Norman Grote, 2420 Illinois avenue, told police a switchman lantern and pair of sunglasses were missing from his car.

Magistrate Gasparovic set fines of \$200 on the tampering count and \$25 on the disorderly conduct charge. He suspended \$150 of the larger fine for each soldier.

Walter, Auto Stolen

Everett Marcus, 1858 Third street, Madison, reported to Granite City police early Tuesday morning that his 1935 car, containing \$12 to \$14 and his 1935 auto were stolen in the vicinity of North Steven, 19th street and Cleveland blvd., by a woman, 30 to 35 years of age.

The car was found later in the morning abandoned in the 2100 block of Illinois avenue, police said.

Thomas Ebertson, 2444 Edison avenue, reported to Granite City police yesterday morning that the spare tire and wheel were stolen from the trunk of his auto which was forced open Tuesday night while the car was parked at his home.

Theft of four or five gallons of gasoline from his auto while it was parked in front of his home was reported to Granite City police yesterday morning by Walter Kinder, 2818 Victory drive.

Madison JHS Flag Football Squad Is Defeated Twice

Madison junior high school's flag football team, winless in two tries this fall, will play its first home game of the season this afternoon, hosting Roxana at 4 p. m.

Madison was beaten in the Junior High conference opener Monday afternoon in Edwardsville, 26-13, and then took a pummeling at the hands of Collinsville JHS squad there Tuesday evening, 43-6.

Hayes Wright ran 18 yards for one score and Quarterback Frank Sellers ran 15 yards for another tally against Edwardsville, with Sellers passing to Paul Lusk for the extra point following the second Madison score Monday.

The only touchdown scored against Collinsville by Stan Serfaty was a 15-yard run by Wright.

Jerry Nelson began the touchdown pass in the first quarter when he went 11 yards around the line. The try for extra point failed, but Quarterback Karandjef went the final five yards on a keeper to tie the game. The Braves got the ball, then kept on the try for extra point to give Collinsville a 13-0 first quarter lead.

End Ron Yates latched onto Karandjef pass in the second quarter, raced 30 yards for the visitors' third score, and Karandjef sneaked for the extra point.

The Braves added seven more points in the third period when they scored on a quick option on another pass and run play, covering the final 40 yards to tie the game. Dan Serfaty drove in for the extra point.

Bethalto made it 27-6 by driving the Braves into a quick option and tallying its only TD in the third quarter.

Collinsville got the touchdown back, with interest in the final quarter. Fullback Bob Polk found running room up the middle and scored 20 yards for the score, and Parker ran the extra point over. Steve Cuvart hit Karandjef ahead on a quick option for 25 yards and the final TD of the game minutes later. Fullback Gary Thornberry plunged for the final extra point.

Bethalto threatened again in the closing minutes, but a drive stopped on the Collinsville 15.

Traffic Safety Award To Madison Department

An American Automobile Association plaque for reducing pedestrian deaths in 1958 and 1959 was presented last night at a traffic forum held in Belleville, 150 attended, and the Madison award was accepted by Sgt. Edward Knechtel and Patrolman Edward Zabotka.

Others at the gathering included Lt. Paul Moore and Patrolmen Joseph Nemeth and Michael Ridge of the Granite City police department. Centerville, Washington Park, Wood River and Mount Vernon also were honored for having no pedestrian deaths.

The A.A.A. paid for having the light moved to the center of the intersection for two months last year, with the school district assuming the payment on a temporary basis for the remainder of the year. It has not been used this fall, and Knechtel said school stop signs have proved ineffective there. Monthly cost estimates are \$10 for charging the batteries and \$10 for moving the light.

The board decided to pay the contractors all but 10% of work on school buildings, with the final 10% withheld until completion of all work.

Fennell was withheld on a \$2888 accounting bill in connection with the annual school financial report, when it was noted that the cost was \$1490 a year. It was decided to determine whether or not the school business office could reduce the work necessary for the report.

Sparring light balls at schools were discussed by President Homer Huber, and Supr. Harold M. Kaiser said lighting of economy is being stressed among school employees.

Plan West 26th Campus

Dr. Kaiser said Engineer Marvin Dean is preparing a landscaping and ground use plan for the West 26th junior high campus, and Board Member Monroe Worthen urged leveling of the campus this fall. Board Member Robert Spender said buses are unloading children on the highway at the East 23rd street school, and asked that they unload in the parking lot.

The school decided to limit school recesses for candidates' visits to those running for president, vice-president, and Illinois governor, and to limit the visits to gymnasium and athletic fields.

Handling of athletic tickets was discussed, and creation of a second gate, located at the northern end of the GCHS football field, was suggested. It was reported that West 25th junior high game uniforms for basketball were ordered late and may not arrive until mid-season.

Success of junior high athletic teams and greater difficulty encountered by high school teams

one of them, tall, were seen in the alley at the rear of the station and departed in an auto. Entrance was not gained.

Jack Buck To Speak At Park Sport Banquet

Jack Buck, well-known St. Louis television and radio sports commentator, will be the featured speaker at the Granite City park district's first annual sports banquet here Nov. 1.

A smorgasbord style dinner will be served at the YMCA beginning at 6:15 p. m. on the date of the banquet, purpose of which is to award approximately 100 trophies to winners of the park district baseball, basketball and softball championships and playoffs of the past season.

Park Recreation Director Harold Brown said arrangements are being made to secure the presence of several major league baseball players who make their winter homes in the St. Louis area.

Tickets will be priced at \$2 each and will become available next week, with the managers of teams to receive trophies receiving first choice. The park district hopes to sell 275 tickets to the banquet, which will be held in the YMCA gymnasium.

Edwardsville Slips By GC In Harrier Meet, 27-28

Granite City high school suffered its second defeat in the cross-country season Tuesday afternoon on a local 9.1/10th mile course, but the harriers of Dick Harmon came within a whisker of finding the winning combination as seven runners turned in improved times.

Visiting Edwardsville won the meet, 27-28, with the team's George Burnham crossing the finish line first in 9:44, the best time on the Granite City course this year.

High behind Burnham was Granite City's Dave Moss, second in 9:58. Larry Keel was fifth in 10:15, Jim Richee sixth in 10:19, Allen Kennedy seventh in 10:20 and Keith Veizer eighth in 10:21 as the Warriors took five of the first ten places.

Other GC winners were Bob Cuvar, 11th; Mike Vanlier, 15th; and Gwynn Robin, 17th. Robin, bothered by stomach trouble, was running in his last race he is leaving the school.

The Warriors will enter a full complement of runners in Saturday's big Beaumont invitation meet, which will be held in Forest Park in St. Louis. More than 40 schools in the greater St. Louis area have entered some 280 runners in what is usually the biggest cross-country meet among high school squads in the Midwest.

Noblen Will Quarterback Warriors Against Wood River Oilers Friday

Granite City's Warriors, who have amassed fewer points than any other team in the Southwestern football conference this season, and Wood River's Oilers, who started the season like world beaters but suddenly who defense trouble, will clash tomorrow night in a game that will decide who will dwell in the SWC cellar for another week.

The two clubs currently reside there together, side by side with 0-2 records. The Oilers will be out to win for what should be the largest crowd of the season in Wood River, while Granite City would like nothing better than to play the role of homecoming spoliars. Game time is 8 p.m.

Granite City Coach Andy Sullivan has named Sophomore Larry Noblen as his starting quarterback tomorrow night. Noblen improved in the final quarter of the Granite City-Alton game last week by completing five of eight passes, one of them good for a touchdown.

Another sophomore is likely to crack the GC starting lineup for the first time this year. He is 200-pound Mike Voorhees, named at left half, an offensive left tackle position despite a slight groin injury.

Oilers May Withdraw
Tomorrow night's game may very well be the last time the two prep eleven meet—at least as conference opponents.

Oiler Coach Orville Yocum said this week that he, for one, is giving serious consideration to plans for withdrawal from the Southwestern loop, at least where varsity football is concerned.

Our enrollment is just small (less than 1000) for us to compete on an equal basis with a team like, say, East St. Louis, Yocum said. "I have the best bunch of boys I've had in some time, but we're simply least out of our class."

Yocum also said considerable pressure has been applied from the varsity level to the Granite City of varsity football to drop SWC football play-off offense off the straight-T defense.

SEASONED TEAM

The Oilers are a seasoned crew that pulled over a beaton 47-0 in the season opener, stopped Roxana 19-0 the following week and was edged by Edwardsville 15-13 in the third game.

Ten seniors are members of the No. 1 offensive unit, and most of them play defense as well. Wood River averages 181 yards per man in the line and 176 in the backfield, where Lane is the heaviest at 185.

Fullback Larry Hinson is the team's leading scorer with 20 points to his credit. Starting at left half, the Oilers will be Dale Lippert and Gene Bielech, both of whom have counted at least once this season.

Yocum feels Wood River line play has been mucky in the past two games, and he expects the Oilers will run most of their offense off the straight-T defense.

FOUR WINNERS in a Fish Story contest conducted last week by a St. Louis insurance company included Mrs. Marion Kestel (right), 1529 Rodger avenue. The contest was held in conjunction with a trout fry at which 600 employees of the insurance firm's home office and a group of the company's clients were guests. Other winners, all from St. Louis, were (left to right) Elmer Jungclaus, Mrs. Angie Roscher and Mrs. Louise Miller.

Bubblemasters' Winter Skin, Scuba Diving Class Opens Sunday At YMCA

The first skin and scuba diving course to be offered during the winter months at the local YMCA will begin Sunday at 2 p.m., where an organizational meeting will be conducted by Carl Krohn, training officer for the Bubblemasters' Diving Club.

The course will consist of 32 hours of instruction, emphasizing swimming ability, lifesaving and the skills of skin and scuba diving. The course is divided equally into two 16-hour segments, one consisting of lecture and theory, oceanography, physics, physiology, first aid and equipment usage, and the other portion consisting of water work, which includes the teaching of advanced swimming, lifesaving, skin and scuba diving.

Taught by members of the local club, the course will continue for eight weeks, each session lasting for four hours each Sunday. Once the course has been completed practical examinations will be given by the divers by Al Mueller, national YMCA diving instructor, and Ronald Homyer, local YMCA instructor.

Backfield Revolution
In hopes of adding some offense "get up and go" in the backfield, Sullivan moved Vic Buehler up to the No. 1 right halfback position. He will share with Jerry Wallace, who has been juggled from quarterback to halfback to guard all in period of three weeks.

Bob King, "who has given us the best center play all year," according to Sullivan, will start there in place of the injured Bob Summers. Al Lewis has been moved back up to first-string left guard. Otherwise, the lineup remains unchanged.

End Bob Hoff, who suffered a slight concussion in the Madison game, has been given a physical okay and will see some action, principally on defense. The probable starting lineup:

Mrs. Bessie South, 3808 B street, returned home Sunday after spending two weeks at Hot Springs, Ark.

Brownie Troop 121 met Tuesday evening with Mrs. Ethel Getteman, assisted by Mrs. Evelyn Bringer. The meeting opened with the pledge and promise, and the girls played games, sang, turned in good deeds, and practiced the hand-shake.

Next week, the girls will decorate their meeting room for Halloween. The meeting closed with the "living circle". Those present were: Kay Nanning, Jean Funkhouser, Rita Krause, Sandra Ernst, Pamela Bringer, Sharon Hughes, Sandra Freeman, Brenda Miotler, Sandy Shatterson, Elaine Rostell, Judith Baker, Darla Seed, Debbie Grace, Sally Getteman and Mimi Molyet.

Intermediate Girl Scout Troop 31 met Tuesday evening with Mrs. Corine Kreher, assisted by Mrs. Florence Deatherage, Virginia Glenn and Peggy Busby. The meeting opened with the pledge and a discussion was held on Fire Prevention Month. The boys played games and made plastic slide holders. Refreshments were served to Leonard Walker, John Releke, Gregory Walker and Bobby Bunselmeyer.

Those present were Janice Kreher, Stephanie Deatherage, Dorothy Belger, Linda Hamilton, Karen Deatherage, Janice Mehelic, Cheryl Fisk, Virginia Glenn and Peggy Busby.

Den One of Cub Pack Six met Monday evening with Mrs. Laverne Rapp, assisted by Mrs. Leona Clark. The boys made Halloween decorations and worked on achievements. The meeting closed with the Lord's Prayer. Those present were: Michael Boyd, Robert Clark, Dennis Cline, Larry Rapp and guests Gary Rapp, Jimmy Clark, Judy Clark and Caroline Clark.

Rev. Sherman Williams of Chicago, director of Christian Education at the Sunday school convention, was guest speaker at the Bethel Community Church Sunday night.

The Bethel Community Church adult choir sang at Kiel Auditorium Tuesday night.

Pledge Card Made Available For UF Drive Contributions

While there will be no house-to-house campaign during this year's Tri-Cities United Fund campaign, the general chairman, James L. Hamilton Jr., said today an opportunity is being made available for all Quad-Cities to make a contribution. Accompanying this article is a reproduction of a United Fund pledge card which may be mailed with a contribution to the Tri-Cities Area United Fund office, 1339 Nineteenth street, Granite City. Checks may be made payable to the Tri-Cities Area United Fund.

"The majority of our contacts," Hamilton said, "will be made through industry, business, unions and other organizations. For this reason, it is likely that some residents of the Tri-Cities will not be contacted at all."

Den Three of Cub Pack 23 met Tuesday evening with Mrs. Betty Walker on Rural Route One. The meeting opened with the pledge and a discussion was held on Fire Prevention Month. The boys played games and made plastic slide holders. Refreshments were served to Leonard Walker, John Releke, Gregory Walker and Bobby Bunselmeyer.

Mr. and Mrs. Edward Reim and children, Kathie and Randy, of Arnold, Mo., were guests Sunday at the home of Mr. and Mrs. Frank Kubacki and family, 3365 Wilshire drive.

The Pontoon Church of Christ is holding a revival Oct. 16 through Oct. 22. Gene Talbot of Belleville will be guest speaker.

Mrs. Ida Hanfelder, a worker in the Protestant Welfare organization, which is a part of the United Fund, gave a talk on the project during the worship hour Sunday morning at the Mitchell Presbyterian Church.

Ceremony Set Oct. 26 For New River Dam

A ceremony will be held Oct. 26 on the Illinois bank of the Mississippi River to symbolize the start of construction of the \$3,000,000 low-water dam, just 900 feet below the Chain of Rocks river bridge.

The ceremony for the new structure, to be known as Dam No. 27, is being arranged by the U. S. Army Corps of Engineers. Dam and Locks 26 are located at Alton, and the new dam is designed to improve the navigation channel at the Alton locks during low river stages.

Workmen for Massman, Frazier, Davis Construction Co., Kansas City, have been at work placing six-ton stones in the river to provide a base for the dam. Blasting of bed rock in the river is necessary to form a trench to hold the rock. The dam is being constructed of loose rock from the six-ton size all the way down to gravel.

Red Cross Reports On Aid To Chile, Florida

Over \$3,000,000 was contributed in the United States and forwarded by the Red Cross to aid victims of the Chilean wind and flooding disaster, a final report indicates. It was announced Tuesday to the local Red Cross board by Mrs. Ruby Overbeck, executive secretary, who said the amount included over \$2,000,000 in cash and \$750,000 in supplies.

Red Cross chapters from New Orleans, La., to Panama City, Fla., operated 210 emergency shelters housing 46,000 persons during Hurricane Donna this summer, she reported, adding that 15,000 inquiries were handled on the safety of relatives in Florida. The national total included many local inquiries.

Chairman George Eubanks reported on plans for a meeting of representatives of Quad-City organizations Nov. 2 to discuss an expanded blood program. A report was given on an annual blood meeting Sept. 26 in St. Louis attended by Eubanks, Vice-Chairman Floyd Mitchell, Mrs. Overbeck and John Douglas, regional field representative. The next state convention will be at Peoria in January, it was announced.

A monthly home service report showed 104 contacts, including 15 Engineer Depot servicemen. The tabulation listed seven emergency leaves, 10 health-welfare cases, 24 reports, two assists with government benefits, seven financial assists.

Vehicle Registration Hits 3,900,906 In State

Motor vehicle registration at the three-quarter mark of 1960 is 100,683 greater than at the same time last year, Secretary of State Charles F. Carpenter reported today.

For the first nine months of the year, the total registration was 3,900,906, he said. The three principal categories showed increases, while motorcycles and dealers showed decreases, Carpenter said.

Comparative figures at the end of September for the two years are: passenger cars, 3,170,648 in 1959, 3,253,238 in 1960, a gain of 82,590.

PRESBYTERIAN WOMEN DISCUSS FALL PLANS
The Nameoki Presbyterian Women's Organization held an association meeting Monday evening at the Nameoki Presbyterian Church.

Mrs. Betty Flinn, president, conducted the meeting. A report on the budget was given by Mrs. Louise Anderson. Mrs. Edith Simpson reported on the fall Presbyterian meeting.

A meeting is planned for World Community Day on Nov. 4, at which time clothing, nylon, medical kits and eye-glasses will be collected for church work. This will be held at the Nameoki Methodist Church, Mrs. Flinn reported the association of a missionary interpretation dinner Oct. 25 at 6:30 p.m. at the First Presbyterian Church.

The world service chairman, Mrs. Lu Pyle, reported on the hospital gown and cancer band projects, and Mrs. Twyla Marcum, program chairman, announced that the November association meeting will be a "praise service" and will be held on Oct. 19, according to a report given by Mrs. Fern Mitchell, spiritual life chairman.

Mrs. Flinn reminded the group of a Senior High Westminister Fellowship paper drive Oct. 15. The business meeting was closed with prayers, given by Mrs. Anderson.

"Symbols of Our Faith" was the topic of a devotion given by Mrs. Irma Taylor, who also gave prayer for missionaries of the day. Mrs. Marcum led the discussion on the subject, "After Death, What Then?" for the evening's lesson.

Mrs. Lena Kasberg will be the hostess for the afternoon circle in her home on Rural Route One Oct. 27. Mrs. Mildred Finer will entertain the evening circle on Oct. 24 in her home, 3524 Johnson road.

Hostesses for the meeting were Mrs. Simpson and Mrs. Pauline Baldwin. They served refreshments to four guests. Mrs. Edith Ross, Mrs. Martha Moorman, Mrs. Japer Keil and Mrs. Janice Carr.

Members of the association attending were Mrs. Edith Arbogast, Mrs. Bernice Britton, Mrs. Frances Flinn, Mrs. Ann Freeling, Mrs. Jeffery Flinn, Mrs. Alta Stewart, Mrs. Carolyn Stearns, Mrs. Sord, Mrs. Gertrude Schreyder, Mrs. Violet Monahan, Mrs. Jung Kim, Mrs. Beatrice Pyle and Mrs. Louise Thompson.

FELLOWSHIP PLANS

"SLAVE DAY"
The Christian Youth Fellowship of the Central Christian Church met Sunday evening, with Allen Kennedy, president, in charge.

The opening prayer was given by David McKel and a discussion was held on a fish fry. It was to be held in October but has been canceled until next spring.

The group decided to hold "slave day" Oct. 15, at which the boys will wash cars, mow lawns and put up storm sashes and the girls will "shave" or assist in house cleaning.

The president welcomed the new sponsors, Mr. and Mrs. George Rush. A study lesson was given by Carolyn Butler on "Origins of Personality," followed by a question-and-answer period in which persons' traits were discussed as to heredity or environment.

Conley Howell conducted the worship service and was assisted by McKel, Peggy Lipford led the singing, and Marcia Walker had charge of the recreation period.

Refreshments were served by Carolyn Butler and Jim Ritchie. A new youth choir has been formed, and a practice session was held under the direction of the leader, Mrs. J. G. Zutter.

Members forming a friendship circle to close the meeting were Kennerly, McKel, Howell, Peggy Lipford, Ritchie, Carolyn and Carline Butler, Martha Spenser, Mary Krouse, Cindy Laster, Larry Whitsett and Betty and Barbara Byrnes.

GRANDPARENTS TWICE WITHIN ONE WEEK

Mrs. and Mrs. Emile DeMonte, 2301 Missouri avenue, had their grandsons twice within a week when two daughters gave birth to children at St. Elizabeth Hospital.

A granddaughter, Margaret Hogan, was born Oct. 5 to Mr. and Mrs. John Hogan, 2321 Clark avenue, and weighed seven pounds, four ounces, being a birthday baby for her mother. A grandson, Darren Paul, was born Sept. 30 to Mr. and Mrs. Joe Geisler, 2970 Indiana avenue. He weighed six pounds, 11 ounces.

The Hogans have three other children, Marsha 7, Kelly, 13, and Sue, nine, and their paternal grandfather is Chris Hogan. The Geislers have two older sons, David, five, and Dana, four, and their paternal grandmother, Mrs. Catherine Geisler of Alton.

NAMEOKI PTA BOARD MEETING

The thrust, culture program was the main topic of discussion at Tuesday evening's executive board meeting of the Nameoki PTA, held at the school.

W. Kenneth Krubb, executive director, Region Eleven, Illinois Heart Association, attended and explained purposes of the heart culture program. Also attending were Harold Thomas, director of special education in the Granite City school system, and Paul Welch, principal of McKinley school, who explained what the program has meant to that school.

The board decided to recommend that the program be adopted at Nameoki. Mrs. Beatrice Pyle, school nurse, will explain the procedures used, and what results can be obtained, at the next PTA meeting.

Mrs. Louise Anderson, who is co-chairman along with Mrs. Betty Caldwell of magazine sales now in progress at the school, presented a report to the board.

The next regular meeting of the PTA will be Tuesday, Oct. 18, at 7:30 p.m. at the school, and entertainment will be furnished by the fifth and sixth grade chorus under the direction of Mrs. Mildred Hedger.

The speaker will be Professor Jack Thomas of SIU, who will talk about the health of the university bond issue election.

Members attending were Russell Robbins, principal; Herman Grove, president; Mr. and Mrs. Walter Spielman, Mrs. Wilma McQuinn, Mrs. Rose Young, Mrs. Peggy Belcher, Mrs. Anderson, Mrs. Caldwell, Mrs. Pyle and Maurice Steele.

WCSA MEETS AT NAMEOKI METHODIST

The Women's Society of Christian Service of the Nameoki Methodist Church met Tuesday evening at the church, with nine members present.

Miss Morene Groshong, president, opened the meeting and announced that the week of Oct. 25-31 will be a week of prayer and self-denial, and the WCSA will have charge of the Wednesday evening service Oct. 26.

She also announced that the church will be host at World Community Day services Nov. 4 at 7:30 p.m.

A discussion was held on the 20th anniversary of the WCSA, and it was decided to have a service in the test city which is not complete and will be announced when they are final.

After the meeting with prayer, and the next regular meeting will be Nov. 7 at 7:30 p.m.

The EMB evening circle will hold a meeting Oct. 24 in the home of Mrs. George Rush, 2449 Davis avenue. Members attending the meeting were Mrs. Janice Carr, Mrs. Betty Beal, Miss Groshong, Mrs. Gluck, Mrs. Ann Haley, Mrs. Mammie West and Mrs. Wallace.

FROHARDT PTA EXECUTIVE MEETING

The executive board of the Frohardt Parent-Teacher Association met Tuesday evening at the school. Mrs. Charles Rodell, president, called the meeting to order.

Reports were heard from Mrs. Allen Jesse and Irvin Nicol. It was announced that the November meeting will be an "open house" when the parents can visit the schoolrooms of their children and meet the teachers.

A resume of the afternoon and evening sessions of the Illinois Congress of Parents and Teachers, District 29, meeting was given by the delegates who attended. A report on the Granite City Area PTA Council meeting also was heard.

Members attending were Mrs. Walter Pearson, Mrs. Milton Harvey, Mrs. Clarence Wallace, Mrs. Russell Boushard, Homer Johnson, Mrs. Gene Casey, Walter C. Stawar, William H. Marshall, Joseph Arico, Mrs. Joseph Vessan, Mrs. John C. Hayman, Mrs. Richard Pehn, Mrs. Lewis Rains, Mrs. Jesse, Mrs. Joseph Mills and Mrs. Irvin Nicol.

The next meeting of the PTA will be Tuesday, Oct. 18.

BIRTHDAY CLUB MEETS

Mrs. Charles Rimarek has hosted to her birthday club luncheon at her home, 4066 Stearns avenue.

Pinchle was played, with Mrs. Fred Moser winning first prize. Mrs. Oswald Becherer second, Mrs. Dorothy Rushing third, Mrs. Gregor Sisto fourth and Mrs. Frank Schwarzkopf the "aces" prize.

A late dessert course was served by the hostess to the winners and Mrs. Oscar Loyel, Mrs. John Pritchard, Mrs. Parente, Mrs. Antonette Brisky, Mrs. Arthur Lombardi and Mrs. Grace Hennrichs, a guest. Now 14 meeting will be held in the home of Mrs. Rosemary Koser, 2628 Center street, with Mrs. John Pritchard as hostess.

SIU'S Reading Course On TV Proving Popular In Area

Do you make the most of your reading? Many feel they do not, if the number enrolled in Southern Illinois University's reading improvement course currently aired over KETC-TV is any criteria. E. R. Cashever, supervisor of SIU's Industrial and Technical Program, said today.

This course on how to get the most out of reading, sponsored by SIU's Southwestern Illinois Campus, is proving very popular. The course is held each Tuesday, Wednesday and Thursday evening from 7:30 to 8 o'clock.

The enrollment picture is made up of men and women in business and professions, government employees, housewives, students in other universities from the area, and even high school freshmen who feel the need for learning to read more quickly and with greater comprehension, Cashever said. The latest enrollee is a sixth grade student.

The class is taught by Dr. Cameron V. Meredith, acting head of the education division at the Southwestern Campus. Dr. Meredith has taught in the public schools, at the University of Michigan, Northwestern University, and the State University of New York. He is author of numerous publications, including several on reading improvement.

This non-credit course in reading improvement began Oct. 4 and will run through Dec. 15. Beginning Oct. 21, Dr. Meredith will meet each Friday evening with members of the class. This weekly live session will give students opportunity to ask questions and express personally their own views on what they hope to receive from the television course. In an interview with Meredith, he expressed the hope that others would join him in this "wonderful world of reading and books." Enrollments will be accepted through Saturday, Oct. 15, he said.

They too marched on stores, shops, mercantile outlets, food, drug, drink establishments, the barber, the beautician, the gasoline station attendant, the wholesaler, the baker, the butcher and the jobber.

During the week, early hour talks have been made by UF speakers before groups of Illinois Power Co. workers and office employees better to inform them of the UF services and needs.

And at supper tomorrow, the United Fund flag will fly from atop Granite City's highest peak, the flagpole of the Granite City Steel Co. general office building.

Flag-raising will be by Chairman Hamilton and the banner will proudly fly during the days of the campaign.

Don't wait for things to happen — go out and make them happen.

achievements and solid community benefits of the agencies in detailed feature articles extending over the summer and fall.

So, the sound of "charge" will be heard tonight, and then the streets, shops, factories, offices and plants for the volunteer solitaires.

Business Division On Move
The "grass roots" workers of the UF "Business" division, 120 strong, met Tuesday afternoon at the YMCA, for final briefing and kit use instructions. Presiding was Gene E. Lichliter, co-chairman of the division.

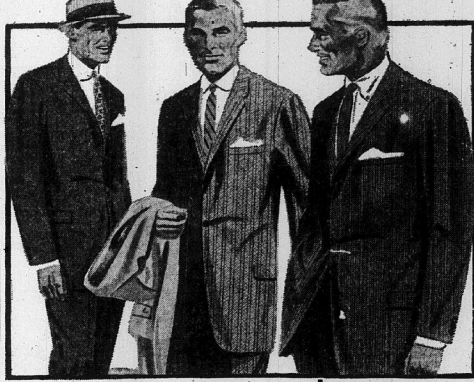

The business division whose success is highly crucial to the attainment of the goal, mustered its full strength at the "Y" troop.

Its majors, captains, committees and the volunteers in the ranks figuratively put on their military campaign hats, were given their particular assignments and advanced to their posts.

Madison and Venice business division solicitations are to be handled separately, it was pointed out. On this front too, there was activity this week as work assignments were given out by commanders.

First Extra Bond Retirement Dec. 1

40-Year Sewer Bond Payment Period May Be Cut In Half

Monthly payments to the city of Granite City by residents of the Nameoki sewer district may end in slightly less than half of the 40-year period established for the 1955-1994 bond issue of \$1,335,000.

This was ascertained in a study of the bonding program by the Press-Record, with the cooperation of City Comptroller John Doohar.

Reasons for the more rapid elimination of the debt include investment of some of the funds at interest and the fact that ample flexibility was allowed to cover possible depression periods, during which property owners might fail to pay but the city would still have to meet the bond principal and interest.

The study was made in May by Leonard R. Davis, in opposing the Oct. 24 council-manager proposal, described the election as an attack on his administration and took the occasion to defend the Nameoki sewers from criticism as "gold plated."

He said the sewers were vitally needed for the growth of the area, that they would have cost much more if constructed today and that they will be paid off within 11 years, far short of the period authorized by the city council.

Crit Exceeded Estimate

Criticism of city officials' actions on the sewer program stemmed from the fact that the council accepted a low bid on general work of \$1,046,738, or \$346,738 more than the engineer's estimate of \$700,000.

Comparisons with similar installations and estimate breakdowns showed that the costs ranged from 40% to 120% higher.

Over 2100 Nameoki residents signed petitions urging that new bids be obtained, but the petitions and the opinion of a majority at the sewer program public hearing were ignored by the council.

One of the results is that the monthly rate for home owners was set at \$2.50, not \$1.50, as originally was listed. It is this monthly fee, which ranges upward for other types of property to as much as \$6.00 a month for schools, that will end when the bonds are liquidated, probably in the 1970s.

Only concrete indication so far of the advance in the liquidation date is that cash balances are high.

The gain will be translated into more specific terms Dec. 1 when the city begins retiring bonds in inverse order, starting with No. 1335, in addition to retiring them progressively.

Retire Bonds 1328 To 1335

Present indications are that the city will be able to retire eight \$1000 bonds in advance at that time. Numbers 1328 through 1328, as well as more high-number bonds and bonds 21 through 30 next spring.

The number of bonds retired so far gives no hint that the program is one-fourth to one-third paid, but it is in the initial years when the most interest and least principal is paid, and when necessary reserve funds are built up.

Current records of the city comptroller show \$516,748 received and \$324,682 disbursed, with a balance of \$184,066.

Income has consisted of \$372,820 in rental, \$128,043 from tap value of \$233,650 and has increased in total value to \$125,000. It will reach \$140,000 in 1970, and is calculable beginning in 1965.

The \$24,000 in the depreciation account includes a \$20,000 certificate drawing 3% interest

tractors extending sewers into new subdivisions.

\$240,000 Interest Bid

A breakdown of the \$332,682 expended thus far shows \$240,332 paid in interest during the 34-month period of Dec. 1, 1955, to May 31, 1960; \$20,000 for redeeming Bonds One through 20; \$69,716 to reimburse the construction fund for interest advanced; \$238 in tap-on and rent payments on the Blairfield subdivision, transferred to the Particular Area No. 2 Sewerage fund; \$180 refunded on duplicate tap-on payments; and \$45 in tap-on payments on the Nameoki Terrace No. 5 subdivision, transferred to the Particular Area No. 2 fund.

Of the \$184,066 balance, \$144,162 has been devoted to building two reserve accounts up to their maximum — a \$120,000 bond reserve account and a \$24,000 depreciation fund.

The remaining \$40,086 on hand

consists of \$23,020 currently in the interest account, from which interest payments are made each Dec. 1 and June 1; \$10,833 in the principal account, from which bond payments are made each June 1; and \$6,233 in the bond redemption account, from which advance bond payments will be made in the reverse order.

Bond Schedule

With 4% interest added, the payment schedule calls for retirements on each June 1 of Bonds One through Five in 1958, Six through 10 in 1959, 11 to 20 in 1960, 21 to 30 in 1961, 31 to 40 in 1962, 41 to 55 in 1963, 56 to 70 in 1964, 71 to 85 in 1965, 86 to 105 in 1966, 106 to 125 in 1967, 126 to 145 in 1968, 146 to 170 in 1969, 171 to 195 in 1970, 196 to 220 in 1971, 221 to 250 in 1972, 251 to 280 in 1973, 281 to 310 in 1974, 311 to 345 in 1975, 346 to 380 in 1976, 381 to 415 in 1977, 416 to 455 in 1978, 456 to 495 in 1979, 496 to 535 in 1980, 536 to 580 in 1981, 581 to 625 in 1982, 626 to 670 in 1983, 671 to 720 in 1984, 721 to 770 in 1985, 771 to 825 in 1986, 826 to 880 in 1987, 881 to 940 in 1988, 941 to 1000 in 1989, 1001 to 1065 in 1990, 1066 to 1130 in 1991, 1131 to 1205 in 1992, 1206 to 1285 in 1993 and 1286 to 1335 in 1994.

Since the \$144,000 currently in reserve can be used to pay off the bonds when only that amount is still outstanding, the city already is virtually assured of ending the payments by 1992, and each advance payment will bring the final year nearer.

Predicting that the city will be over \$152,000 ahead by Dec. 1, including the reserve and depreciation accounts and \$80,000 for the last eight bonds, Doohar sees three factors that will expedite early retirement of the bonds:

Favorable Factors

1. Income is higher than necessary outgo and appears likely to continue higher.

2. With the reserve and depreciation funds, all the cash funds can go toward extra bond payments.

3. The balances will grow steadily during the ensuing years because they are invested at interest.

Of the \$120,000 investment in the bond reserve account, the security purchased had a par value of \$123,650 and has increased in total value to \$125,000. It will reach \$140,000 in 1970, and is calculable beginning in 1965.

The \$24,000 in the depreciation account includes a \$20,000 certificate drawing 3% interest

C. of C. Offers Aid To Harassed Housewives

The Tri-Cities Chamber of Commerce today had some questions for area housewives.

"Do you often wonder if a magazine solicitor at your door is really a magazine solicitor?" "Do you wonder if he has a right to sell the magazines he says he's selling or if you'll ever get the magazines you buy?"

If the answer to those questions is "yes," the Tri-Cities Chamber of Commerce advises that there is help on the way.

Since Oct. 1, many reputable magazine solicitors have credentials which assure that they are registered as solicitors with Central Registry of Magazine Subscription Solicitors in New York.

They are authorized to solicit subscription sales.

The subscription agency which authorizes them to sell is bonded with Central Registry to guarantee that your subscription orders will reach the publishers.

Haran Dobry, manager of the Tri-Cities Chamber of Commerce, has been registering traveling magazine crews of subscription agency members of Central Registry as a public service. He reports that a copy of the CR credential card is on file at his office.

According to Central Registry, it will be issued only to those solicitors properly registered with it by its member-agencies. Cards will be re-issued in a different color every 90 days and will be good only for the period in which they are issued. Prior to each re-issue, a check will be made of the solicitor to determine whether he is still authorized by the agency and whether his selling methods are in accordance with the industry code of ethics.

Each credential card bears the solicitor's name and agency, is serially numbered, and in large type shows the expiration date of the credential. The reverse side of the card, signed by the solicitor, lists the selling standards he must observe. Agencies are subject to penalties when violations occur.

Central Registry was created by Magazine Publishers Association, Inc., to protect the public by maintaining a registry of all salesmen authorized to sell for member-agencies, to enforce high selling standards and to protect the public against loss in magazine subscription transactions.

The Tri-Cities Chamber of Commerce cooperates with the magazine subscription industry's program of voluntary self regulation by filing reports on solicitors registered at its office. These go to the National Better Business Bureau, the solicitor's agency and the Central Registry for their action. Chamber of Commerce and Better Business Bureaus all over the country perform similar public services.

State Capitol NEWS

Twelve thousand acres of timber burned in Illinois last year, according to the state Department of Conservation. A conservative estimate of damage to the timber would be from three to ten dollars per acre, not including the important intangible values, the loss of soil fertility, soil erosion and muddy streams that usually occur after a fire, loss of woodland wildlife and wildlife habitat.

Peak fire seasons in Illinois are from late October through November and during March and April. In northern Illinois the autumn season begins earlier because the leaves fall earlier, creating ideal burning conditions. The spring fire season comes later to northern Illinois than it does to southern Illinois because leaves and forest duff do not dry out as fast.

Thousands of acres of high quality timber are found in southern Illinois and in the Illinois River Valley from Jerseyville to Peoria, the critical timber fire districts of Illinois. Two intensive fire control districts have been established in Pope, Hardin, Jackson and Union counties in southern Illinois, and burning permits must be obtained before starting an open fire in these districts during October, November, February, March and April.

Landowners should not leave fires unattended and they should make certain the fire is out before they leave the area. Timber fires are best fought before they start and the best way to reduce timber fire damage is through the cooperation of people who realize that our forests are a vital resource that can and must be protected.

Highway accidents in Illinois during September accounted for 132 lost lives, Gov. William G. Stratton announced last week. Despite a rash of fatalities during the last two weeks of September, 77 fewer lives were lost during the first nine months of 1960 than during the same period in 1959 for a 6% reduction. If this record can be maintained for the remainder of the year, Illinois will be the only major state in the nation to show a continuous reduction for five consecutive years. During the first nine months, 1,188 were killed as compared to 1,263 a year ago.

Illinois farmers are warned to be constantly on the alert in the operation of farm machinery and help halt the toll of injuries and deaths.

The warning comes from Gov. William G. Stratton who points out that during the fall harvest season last year, more than 150 Illinois farmers were seriously injured or killed in farm machinery accidents. Many lost arms or legs, becoming permanently handicapped.

"Accidents can be prevented," the governor said. "Farm machinery can only be as safe as the operator wants to make it."

With the arrival of the heating season, special care should be observed in the home to guard against accidental carbon monoxide poisoning. A house closed tight against cool weather or lack of proper ventilation and a faulty heating plant can be a lethal combination, according to the Illinois Department of Public Health.

Heating plants should be cleaned and inspected annually for safe operation. If gas odor is noticed, ventilate the house and notify the heating company at once. Particular caution is necessary in homes with attached or basement garages. An automobile motor or any gasoline-powered motor should never be operated in a closed space. Charcoal and coke should not be burned in confined areas, such as basement recreation rooms, or in defective fireplaces.

Seventy-three accidental deaths in the state last year were attributed to carbon monoxide poisoning, and 36 of these occurred in homes.

Lions Discuss Painting, Dinner, Christmas Aid

Twenty-five members of the Venice Lion club met Monday evening at the Venice-Madison American Legion home with the president, John Pier, in charge. Joe Ritz, a guest for the evening, was introduced and a report was given on the Lions community birthday calendar program.

Charles Simmons, chairman, announced that a "ladies night" will be held Oct. 19 at Missa's restaurant. The membership was brought for assistance in painting a Venice residence and tentative plans were made for a Christmas charity program. The group also agreed to assist in the support of the Bradley school for the blind.

PTA Will Have Guest Speaker

The McKinley school PTA will meet Oct. 18 at 7:30 p.m. at the school.

The guest speaker will be Seymour Mann of the Alton Residence Center of Southern Illinois University, who will discuss "Opportunities For Higher Education."

Mrs. Johnston Gives Lesson At WSCS Meeting

"Into All The World Together" was the topic of the lesson given by Mrs. Ruth Johnston at a meeting of the Women's Society of Christian Service Tuesday evening at Niedringhaus Memorial Methodist Church.

A panel discussion on the World Mission of the Methodist Church in cooperation with the National Council of Churches of Christ in the U.S.A. was held, and those participating were Mrs. Johnston, Mrs. Doris Crawford, Mrs. Amy Prussman, Mrs. Verna Willert and Mrs. Sally Adams.

Several hymns were sung by the group, accompanied at the piano by Mrs. Ethel Marie West, and Mrs. Johnston served as temporary chairman during the business session.

Announcement was made of the dinner, to be sponsored by the Ministerial Association of the Tri-Cities for new teachers Oct. 24 at Niedringhaus Memorial Church, and also the special program in observance of the Week of Prayer and Self Denial Wednesday evening Oct. 19. Mrs. Pearl Kean will be in charge of the latter program.

A School of Missions is also planned for each Sunday evening in November and a book, "The Centennial History of McKendree College," was presented to the WSCS by Miss Edith McCasland to be placed in the church library.

After the closing prayer by Mrs. Beverly Burnett refreshments were served by a committee composed of Melba James, Gusie Bender, Winnifred Edmonson, Pearl Campbell, Esther Langlois, Ethel Rouland, Eva Evans, Roy Compton, Leona Tate, Glen Cumdill, and R. L. Miller of the Rebecca Circle.

HOME OWNERS INSURANCE, CALL REINHARDT

ENGAGED: Miss Juanita R. Jarn, fiancée of Donald R. Cove, a son of Mrs. Etta Pinkerton, 2247 Grand avenue. The betrothal of the couple has just been announced by the bride-elect's parents, Mr. and Mrs. Warren J. Geld.

Past Chiefs' Group Meets

The Past Chief's Association of the Pythian Sisters met Tuesday afternoon with Mrs. Roy Massey, 2249 Waterman avenue.

Fifteen members attended and Mrs. Olivia Lehman was winner of a special prize. The game awards went to Mrs. Nell Hutchison, Mrs. Fern Eggle, Mrs. Eleanor Foster, and Mrs. Lehman.

The hostess served luncheon from a table carrying out a Halloween theme and the group was invited to the home of Mrs. Lehman, 2636 Edison avenue, for the Nov. 9 meeting.

Annual Banquet Held Monday By Bricklayers Local

The annual banquet sponsored by Bricklayers Local 65 was attended by approximately 150 persons Monday night at the Bella Vista club, with special entertainment consisting of the presentation of old Scottish folk songs by Andrew McMillan, president of the local.

Following dinner, McMillan, attired in authentic highland tartan, sang Scottish songs while accompanied on the bagpipes by John Fuller. McMillan's attire was procured by the local president while he and his wife were visiting in Scotland recently.

Other entertainment followed, and guests spent the remainder of the evening dancing to the music of an orchestra. Ladies attending received corsages of fall flowers presented to them upon their arrival by Paul Zupan, banquet chairman.

Assisting on the arrangement committee were William Grabie, Ralph Vesel, Fred Law, Robert D. Sinclair, Edward Jacobs, Harry Brandt, Roy Smith and Billy Brandt.

WHITE SHRINE WILL HOLD MEETING

Gabriel Shrine 78, White Shrine of Jerusalem, will observe the evening dancing to the music of an orchestra. Ladies attending received corsages of fall flowers presented to them upon their arrival by Paul Zupan, banquet chairman.

Assisting on the arrangement committee were William Grabie, Ralph Vesel, Fred Law, Robert D. Sinclair, Edward Jacobs, Harry Brandt, Roy Smith and Billy Brandt.

The club will meet again Oct. 25 with Mrs. Rex Niles, 2921 Grand avenue.

Sixteen members and a guest, Mrs. Lee Stevens, were present at Tuesday's meeting.

Cloverview Club Plans Party

The Cloverview Garden Club met Tuesday with Mrs. Robert McCaskey, 2455 Lynch avenue.

Luncheon was served at 12:30 and Mrs. William Ogden presided over the meeting which followed.

Sixteen members repeated the club collect in union and responded to roll call with names of favorite autumn leaves which were brought to the meeting.

Mrs. Russell West gave the program, a discussion of "Fall Planting For Springtime Jewels" and tentative plans were made to entertain the garden clubs of Region Five in February.

FORMER RESIDENTS HERE FOR VISIT

Mr. and Mrs. Earl Varnum of Vero Beach, Fla., former Granite Cityans, are here for a visit of several weeks with Mrs. Varnum's sister, Mrs. Roy Huff, 2520 Delmar avenue, and other relatives and friends. They are enroute home after spending some time in Westport, Conn., with their son and daughter-in-law, Mr. and Mrs. Arthur Varnum and their family.

Mrs. Huff was also a guest in the Arthur Varnum home, flying east to meet her brother-in-law and sister and accompanying them in the return trip. Enroute, the party stopped in Decatur, Ind., for visits with other relatives.

VISITING SISTER

Mrs. Roger Martin sr. of Hollywood, Calif., is a guest in the home of her sister, Mrs. Nellie Head, 2027 Iowa street, this week. She was called here to attend the funeral of her brother, Charles Behrends sr., of Collinsville.

YWA Selects Name For Group

The Young Women's Auxiliary of Calvary Baptist Church met Tuesday evening in the home of Judy Hoff, 2008 Nameoki road, and selected a name for the group. In future it will be called the Ann Judson YMAA.

The lesson was on the topic "Publish Glad Tidings," and those taking part were Jo Ann Fuller, Betty Fraley, Earline Phelps, Betty Barton, Judy Brooks, Mary Courtney, the hostess, Anita Patterson and Mrs. Edith Harris, counselor.

CHOOSE CHEERLEADERS

AT VENICE HIGH SCHOOL
Cheerleaders selected Tuesday at the Venice high school for the basketball season were Miss Becky Schaffner and Miss Judy Edwards, both seniors, Miss Roma Allen, a sophomore, and Miss Dorothy Wilkinson and Miss Rose Ann Cooper, both freshmen.

The students were chosen by Mrs. Gwendolyn Dole, school librarian; Mrs. Cleo Wells, physical education teacher; Robert Hendrickson, English teacher; and Lewis Sablin, high school principal.

HOSTESS TO CLUB

Mrs. Myrtle Fields of Venice was hostess Monday evening at a meeting of the League club held at the Grand Cafe in Granite City. Games were enjoyed by the ladies, and prizes were awarded to Mrs. Lucy Williams of Granite City and Mrs. Cecil

St. Mark's Intermediate Girl Scout Troop 61 met Monday afternoon in the school basement with the leader, Mrs. Margaret Lee. New officers elected were: president, Mary Donna Scarrow; vice-president, Mary Frances Lee; secretary, Marilyn Gontenmar; treasurer, Bernice Koelker; scribe, Virginia Pace; and scrapbook chairman, Judy Reidelberg.

Further plans were made for a swimming party to be held in Granite City Oct. 14. A discussion was held on eating the seamstress badge, with work starting at the next meeting. The meeting then closed with "Taps" and other girls present were Kay Willis, Charlotte Cheryl, Kathy Ochoa, Sharon Parker and Barbara Mulnik.

A surprise birthday party for Mrs. Jeri Hill was given Tuesday morning at her home, 2800 Birch avenue, by her sister, Mrs. Dolores Hill, 644 Jefferson avenue, Venice.

Gifts were opened and displayed after which games were played and prizes were awarded to all. A dinner was served, and others seated were the honoree's son, Michael, Mrs. Mary Slaby and Mrs. Betty Shinn and daughter, Julia, all of Granite City. Mrs. Judy Shugart of Washington, D. C., and Mrs. Grace Foley and Mrs. Hattie Foley, both of Venice.

A junior high meeting was held Sunday evening at the Venice Methodist Church with the president, Richard Patterson, in charge of a business session. The lesson was read by Margaret Taylor, and Scripture reading was by Sheryl Dillman. Following the meeting, the group enjoyed a meal in the Church basement. Others present were Rev. and Mrs. Craig Dillman, Kenly McMullen, William Getz, Kerch Dillman and Lee Gontenmar.

Twenty-three students of the general business class were taken on a tour of the First National Bank in Granite City Tuesday afternoon under the supervision of their teacher, Mrs. Barbara Williams. The class had just completed a banking study at the school. Following the tour, the students were presented with pamphlets and ball-point pens.

McGee, Mrs. Fields and Mrs. Jessie Oehler, all of Venice.
A two-course luncheon was served, and other members present were Mrs. Ora Anderson of Granite City and Miss Catherine McGee, Mrs. Hazel Paine, and Mrs. Naomi Boelling, all of Venice.

Univah Scout Officials

Meet Tuesday Evening

District Chairman Sigmond Fredericks directed a Tuesday Univah district meeting of 25 Boy Scout officials at St. Joseph's school, preceded by a supper served by scout mothers of St. Joseph Pack and Troop Seven.

Progress reports on new units at St. Elizabeth, St. Joseph, Wilson and Webster schools and the Good Shepherd Evangelical United Brethren Church were submitted.

Pack Seven turned in an application for the President Eisenhower streamer for over 50% of its members earning the golden jubilee award. Four units in the Univah district have achieved this honor in 1960.

On Wednesday, 30 den mothers took part in an all-day leadership training and craft skills session held in the St. Joseph Church basement. Mrs. Marge Venick, Mrs. Lois Asher, Mrs. Virginia Alford and Mrs. Iris Watson, assisted by District Scout Executive Dan Brown, conducted the training.

2 GC Students Taking Part In Play Presentation
Two Granite City students are taking part in a production of "The Skin of Our Teeth" by Thornton Wilder, to be presented at Illinois State Normal University, Normal, during the 1960 homecoming observation Oct. 26-29.

They are Richard Marcus, 3504 Johnson road, who has the role of a defeated candidate and also assistant stage manager, and Diana Taylor, 2138 Cleveland blvd., who is a member of the costume committee.

BIRTHDAY DINNER

Mr. and Mrs. Gerald Wallace, 640 Washington avenue, entertained with a birthday dinner Sunday in honor of their son, Gary, and her father, C. A. Ridge. Both the honorees were presented with gifts.

Guests present were Mr. and Mrs. Frank Haney and Mrs.

Edna Downs and children, Brenda and Bobby, all of Huganau, Ill. Pfc. Harlan Watkins of Fort Leonard Wood, Mo., and Mr. and Mrs. Gilbert Sitton and children, Patricia and Paul Wayne, Mr. and Mrs. Harold Sitton and sons, Randy, Tony and Jamie, Mrs. Doris Baker and children, Jim, my, Kenneth and Debbie, and Tuesday morning.

Scoutmaster Harold Koelker was in charge of a Boy Scout Troop One meeting held Monday evening at the scout home on Broadway. The Flaming Arrow patrol was in charge of the opening ceremony, after which a new member, Guy Hill, was welcomed into the troop.

The activity game for the eve-

Mr. and Mrs. William Ohlen-dorf Jr., 632 Washington avenue, returned home Monday after spending the weekend at their clubhouse in Grafton. Weekend guests were Mr. and Mrs. Floyd Painter, 121 Granville street, and Mrs. Jessie Oehler, 219 Hampden street.

Granite City PRESS-RECORD
Thurs., Oct. 13, 1960 Page 17

Mrs. Marie Harden of Bement, Ill., left Tuesday after a visit of two weeks at the home of Mr. and Mrs. Albert Harden, 1212 Robin street.

Possible Foul Play

(Continued from Page 1)

(This is the first in a series of six articles prepared by the Southern Illinois University staff on architects' and engineers' master planning for SUIU's Southwestern campus between the Quad-Cities and Edwardsville.)

One of the first considerations of the planners of Southern Illinois University's Southwestern campus was to choose a location that could be reached by the greatest possible number of commuting students.

From the beginning, one of the principal reasons for the establishment of higher education facilities in Southwestern Illinois had been to make it possible for the citizens of this section most heavily populated area in the state to attend college while living at home.

Dr. Alfonso F. Myers, chairman of New York University's Department of Higher Education, as the result of a three-month educational survey of Madison and St. Clair Counties in 1957, had called for the establishment of state university facilities in the area. He had found that the percentage of college graduates in Madison and St. Clair Counties was only half that of the state and nation as a whole. He had predicted that if a university could be established in the area, it would contain at least 18,000 students by 1970 by even the most conservative estimate.

29,000 Student Potential
By 1970, according to the Council on Education Beyond the High School, an estimated 34% of the total U. S. population should be enrolled in college programs. Within 40 miles of the

population center of Madison and St. Clair Counties, there will be at least 29,000 residents by that time, or a potential of 29,000 college students. Planning for university facilities in the area must take into account the fact that by far the greater percentage of these students will attend college locally.

Paul W. Seagers, Indiana University school building engineer, and Edward D. James, Indianapolis architect, appointed as consultants in 1957 to recommend campus site, proceeded on this premise.

Following an exhaustive study of population patterns in southwestern Illinois (in addition to geographical, geological, and engineering data on the region) recommended to the SUIU board of trustees a 200-acre campus site southwest of Edwardsville, as the one that would best serve the needs of the area's rapidly increasing population during the foreseeable future.

When the citizens of the area demonstrated their interest in the establishment of a centrally located university campus by contributing \$200,000 toward the purchase, the state legislature voted to include \$25 million to aid its development in the million Universities Bond Issue to be decided in November 1960.

The University, recognizing the importance of bringing the full force of educational, architectural, and engineering research to focus upon the creation of a campus that would serve the future of the area, has appointed the following consultants:

1. to work on architectural planning—the St. Louis firm of Helmluth, Obata and Kassabaum, Inc.;

2. as city planning and landscape architects—Hare and Hargis of Kansas City;

3. as consulting engineers—Warren and Van Praag of Decatur.

Campus master planning began with study of specialized groups of data on immediate and projected educational needs, physical characteristics of the site, financial resources. Through careful attention to a myriad of details they caught up in the intimate fabric of the plan the university's dedication to academic excellence, teaching effort, and service. They developed a plan which would give the university a determination to change the future—its change of "something in its very nature" for continuing adaptation.

The planning proceeded on the basis of the following enrollment projections:

1962	3200

ready to accommodate students before 1963 at the earliest.

Dr. Colburn repeatedly referred to an Illinois statute book in saying that the manager plan in Madison and St. Louis, the state, and in denying that radical changes would be made here, but that the plan was going to make a "clean campaign," and he denoted advertising by Scholastic and the University that such position as tax assessors and collector are not at all "bureaucratic" and that a public debate be arranged between him and the manager proponents.

Members of the audience questioned whether council manager affords sufficient representation to the citizens of the county from rising and avoids "one-man rule." Comments of the manager plan were strong opposition to the plan.

Alcott cited accomplishments in Bloomington and asserted that false information is usually spread in an effort to defeat the manager system, but that the manager system is in fact, in its benefits once it is in effect.

move said an abandonment move was voted down in Wood River, with more supporting the plan, and originally, the plan was to be in Madison and St. Louis, the state, and in denying that radical changes would be made here, but that the plan was going to make a "clean campaign," and he denoted advertising by Scholastic and the University that such position as tax assessors and collector are not at all "bureaucratic" and that a public debate be arranged between him and the manager proponents.

Alderman Sam Whitner asked why the manager drive was there. Dr. Colburn said there is dissatisfaction with present officials because of such things as fire protection, a higher fire insurance cost than in neighboring cities and a high fire station cost that leaves insufficient equipment to obtain a lower insurance rate.

The speaker said the new Granite City station may cost as much as \$400,000 and charged that many aldermen did not view the model of the building in advance, voting for it mainly because \$35,000 was already invested "in the blueprint."

He criticized a lack of equipment that he said prevented successful fighting of the 19th and State street fire several years ago, and said the present council system requires aldermen to vote for "something in its very nature" for continuing adaptation.

Hospital on Friday, Oct. 7. It was temporarily released following day, under instructions to return last Monday for an x-ray examination.

Hospital files show he did not return for the x-rays.

Too, he was reported by acquaintances, to have been hemiplegic.

According to Deputy Sheriff William Thompson, Anderson told officials he believed Jones was alive at the time he was found, but did enroute to the hospital. According to Thompson, Jones was found lying on his back and a scratch on a finger.

In tracing the dead youth's movements Tuesday and early Wednesday, officers have come up with what appears to be a cross section of events.

Deputy Thompson said an investigation disclosed that Jones, a 14-year-old, was seen at the Kilt Kat Club on Monday night, in company with Anderson, Stamps, a 14-year-old, and others had been apparently making the rounds of night joints.

Auto Is Borrowed
Sometime during the evening of Monday night, Jones borrowed Anderson's automobile. While taking the Mitchell girl to the car, he was seen going to the car and left it unattended to the ground. It appears the youth was in the car when it was found.

Somewhere along the line, the youth left the car, so did the other passenger, leaving Jones alone in the automobile.

In the chronicle of events, it appears that the group of friends, including Anderson, Stamps, and Jones, were drinking among them had been drinking. Whether Jones had been drinking will be brought out at the inquest.

Thompson declined to name the youth, but said he was with the dead youth.

Deputy Coroner Pieper said a 14-year-old, Jones, was seen prior to the finding of the body was being prepared for submission to the coroner who will hold an inquest next week.

Up until about two months ago, Jones had been employed at a local auto body shop. A spokesman there said he was in good health at the time.

Born at Dixon, Mo., Jones was educated at his father's home. He has a daughter, Vickie Lynn, and a son, Eddie Jones.

Surviving in addition to his father, Jones has a brother, Frank Jennings, a brother, Charles, and a sister, Mary. Jones, along with his brother, Charles, and his sister, Mary, are all living in the same household.

3 Nabbed As Car Flees, Hits Fence

Three passengers in a car were apprehended by Venice police on the Owens-Illinois Container Corp. grounds after the driver sped by the McKinley Bridge toll station, fled to North Venice and wrecked the vehicle at College street and Lane alley at 6:15 p.m. Monday. A warrant has been issued for Kenneth Moore, Jennings, Mo., alleged to be the driver, who escaped.

The owner, Robert Dale Holmes, 25 St. Louis, was charged with resisting arrest, attempting to evade police, refusing to obey police, disorderly conduct and failing to heed a police siren and flashing light. Disorderly conduct charges were filed against Gerald D. Lewallen, 19, and Edward F. Sansgaw, 21, both of St. Louis. All were freed on property bonds until hearings.

The auto failed to negotiate a turn onto Line alley and struck the Owens-Illinois fence, damaging it and the car's left front. Madison and Venice officers had blocked off all North Venice exits after the car was halted at Main and Kerr streets but the driver failed to follow police to the station.

Charles Chance is present master of the Granite City lodge.

Also present were two honorary past masters, George Malottki and Fern Stein, and two visiting present masters.

Several communications were also received from past masters here of the state who were unable to attend.

Plans are currently being made for a costume Halloween party on Oct. 31, which will be sponsored jointly by Triple Lodge 835 and Granite City Lodge 877.

Smoke Scare Today At Saving And Loan Office

On the theory that "where there's smoke, there's fire," Granite City firemen attended to the First Granite City Savings and Loan Co. building after employees "smelled smoke," about 10:15 a.m. today.

No blaze was discovered at the building at 1825 Delmar avenue, but it got a mighty thorough going over by firemen and inspectors.

Three fire wagons and a trio of police vehicles responded to the call.

Fred Williams, secretary of the financial institution, explained that he and employees had "smelled smoke" during the morning hours. As a precautionary measure — and since this is Fire Prevention Week — they called the department.

No apparent damage was found, but an electrician was summoned to inspect wiring.

Three Charges Filed

Dennis Hancock, 2233 East 23rd street, was charged by Venice police with peace disturbance, larceny and carrying a concealed .38-caliber pistol after being arrested at 7:05 a.m. yesterday at the 316 Club tavern. He was released on a property bond until a hearing Saturday.

Friday, Oct. 14, will be taken to St. Joseph's Church, 21st and State streets, Interment Jefferson Barracks National Cemetery, St. Louis, Mo.

THE '61 PONTIAC IS HERE!

It's All Pontiac! on a new Wide-Track!

New track-to-body proportion! The track is the width between the wheels. Pontiac has the widest track of any car. And now that we've

limped body width, more weight is balanced directly between the wheels. You ride with greater poise, maneuver with firmer control.

More room, more comfort inside! Headroom, legroom and footroom have been increased. Seats are higher, yet there's more clearance under the steering wheel. Doors are wider, swing open farther with no jutting barriers to bump as you get in and out.

Powered by the new, fuel-saving Trophy V-8 Engine! New fuel induction system gives this new free-breathing engine more air, makes gas go

further. Eleven versions to select from. Horsepowers range from 215 to 348. For best economy you can specify the dollar-saving Trophy Economy V-8. Its lower compression ratio lets you use regular gas. Add it all up . . . It's the Wide-Track way to travel! Try it!

Absentee Voting Underway, Nov. 3, 5 Deadlines

Filing of applications for absentee voting in ballots began this week in the office of Miss Zulala Hotz, Madison county clerk in the courthouse at Edwardsville.

Deadlines for the Nov. 8 election will be Nov. 3 on applying by mail and Nov. 5 on applying in person. Ballots for absent voters in military service were made available beginning Sept. 25.

"Men and women in the service, home on leave, may vote in person in my office through Nov. 5," Miss Hotz has announced. Office hours are 9 a. m. to 5 p. m. Monday through Friday. The office is closed Saturdays, but will be open Saturday, Nov. 5 from 9 a. m. to noon for absentee voting only.

Voting Booth Ready

"A voting booth is erected, for absentee voting, in the hallway of my office. Or, persons may apply, by mail, through Nov. 3, directly to the county clerk's office.

"A relative — mother, father, sister, brother, husband or wife may apply on behalf of a person in the service on a special relative application form, if they prefer. Write to the county clerk for proper forms.

"Civilian absent voters may apply for an absentee ballot from Oct. 10 to Nov. 3 by mail, or may vote in person at my office from Oct. 10 until noon Nov. 5.

"In the case of a physically incapacitated person voting an absentee ballot, one additional affidavit, from the attending physician, must accompany the application for ballot. Both forms must be notarized. We have special affidavits for members of the Christian Science Church.

"In the event an absent voter votes in person at the county clerk's office, no fee is charged for notary services.

New Provision in Law

"A new provision in the absentee voting law provides that persons in the service need not be registered in order to vote, provided that their legal residence includes a year in Illinois 90 days in Madison county and 30 days in the precinct immediately prior to entrance into U. S. service.

"The term 'member of the service' means: '1. Members of the armed forces while in active service and their spouses and dependents.

"2. Members of the merchant marine and their spouses and dependents.

Civilian Federal Employees

"3. Civilian U. S. employees in all categories, serving outside the territorial limits, and their spouses and dependents residing with or accompanying them. This applies whether or not the employee is subject to the civil service laws and whether or not he is paid from funds appropriated by Congress.

"4. Members of religious groups or welfare agencies assisting members of the armed forces, who are officially attached to and serving the armed forces, and their spouses and dependents.

"A dependent means a father, mother, sister, brother or child of voting age actually residing with or accompanying the serviceman and financially dependent upon him," Miss Hotz explained.

Venice School Scene Of Cub Leader Training

The 1960 "pow-wow" cub scout leader training program of the Cahokia Mount Boy Scout Council has been scheduled for Saturday, Nov. 19, from 9 a. m. to 3:30 p. m. at the Venice public school. Robert McCord will serve as chairman, and all adults helping supervise the 63 cub packs in the council are eligible to attend.

Craft skills, games, administration and ceremonies will be taught to den mothers and cub leaders. Displays also are being arranged for the annual instruction session. Registration will close Nov. 4.

HOW TO "HOLD THE PHONE"

You and your family may be among the many that believe the color wall phone is the handiest thing in your kitchen.

You probably realize how it brightens up the room and saves you time and steps. You probably like the way it saves space — doesn't take up valuable room on a kitchen counter or table. But did you know there is a handy way to keep the receiver from dangling if you are called away from the phone for a minute?

A number of people have told me they were surprised to learn they can hook the receiver over a notch on the top of their color wall phones until they return to the phone. The illustration shows how it works. I thought you might be interested in hearing about this added convenience of wall phones in color.

JUNIOR ACHIEVEMENT PROGRAM BEGINS OPERATIONS

The Junior Achievement program in the Quad-City area began another year of operation this week. The first meeting was held Monday, October 10, at the Junior Achievement Business Center at 2009 Madison Avenue for the purpose of organizing the new Junior Achievement committees.

The Telephone Company is again sponsoring one of the companies in the Junior Achievement program. The Junior Achievement committee will be managed and operated by the youngsters who are participating in the program. Leota McKinney, Assistant Chief Operator, Don Gogel, Exchange Engineer, and I will be advisors for the company.

We are looking forward to an interesting — and we hope successful — year of operation with our enterprising Junior Achievers.

Berry, Schuman Get Back, Lineman Awards For Second Time This Year

A glue-fingered end and a halfback who chalked up all but 23 of the yards gained rushing by Granite City in its 41-13 loss to Alton last Friday were named the "lineman and back of the week" today by Warrior Coach Andy Sullivan.

It marked the second time in four games that the pair, halfback Bob Berry and end Pat Schuman, had won the recognition from members of the Warrior coaching staff.

Schuman, a 170-pound senior in his first year of varsity football, was on the receiving end of five passes thrown by Quarterbacks Jerry Wallace and Larry Nobles. His gain covered a total of 46 yards.

One was a four-yard toss from Wallace good for Granite City's first touchdown, and another covered two yards and resulted in an extra point. His scoring catches enabled Schuman to move into the lead among Granite City scorers this season. The Warriors have scored only 20

points in four games; Schuman has accounted for 13 of them. He also played most of the Alton game on defense, either as an end or a linebacker.

Berry, the regular fullback in Granite City's straight T offense, had the only respectable yardage gained average among Warriors against the Redbirds.

The 170-pound senior letterman toted the leather 12 times Friday night, picking up 38 yards, an average of 4.9 yards per carry. Granite City netted 81 yards on the ground.

Local Druggist Wins In Bridge Tournament

A Granite City druggist who is nearly adept at contract bridge emerged with his partner, as men's pair titlists in this week's State Bridge tournament at St. Louis. Herman Weintraub, co-owner of Hub Drugs of Granite City and Sam Zimmell, University City, Mo., placed first in the men's pair division in which some 28 duos participated.

The play-off attracted bridge experts and enthusiasts not only from Missouri, but a goodly number from southwestern Illinois as well as from Kentucky. Weintraub said that awards were made in a number of tournament divisions.

Schlitz Can Gain Ground On SBPA League Leaders

Third-place Schlitz Beer of Granite City Bowland could gain valuable ground Saturday in the Southern Illinois Bowling Professionals Association Classic league, if it takes advantage of a match between the 12 runners in the eight-team league.

First-place Alton "Falstaffs," the defending champions, are paired with second-place Ripley Bowling Pins of O'Fallon in the feature attraction at the Bowl-A-Way Lanes in East St. Louis, while Schlitz will roll Rusty's of Wood River.

Other action scheduled for 9 p.m. matches Loman's Bowlers Shop of East St. Louis with Revere Room of Collinsville and Black Label of Belleville with Pepsi-Cola of East Alton.

Saturday will mark the final week of kegling in the first-round schedule. A position round is scheduled for Oct. 22 at the Touchette Lanes in Centerville.

The standings:

Fall Jobs Climb Foreseen; Yule Season Swell Charted

Employment in manufacturing and the durable goods industries in the Quad-Cities area will climb substantially during the balance of the year and reach over into January 1961.

This is according to projected job estimates for November and January, released today by the Illinois State Employment Service.

Somewhat lesser gains are anticipated in non-durable goods employment, in government jobs and in transportation and warehousing. A drop-off is predicted in construction work and a very minute decline in the food industry.

Malcolm Thompson, chief of the service here, has tabulated the reports of 62 firms. Those include not only the September employment totals, but estimates of their future needs.

15,946 Job Estimate
According to the tabulations, during September the reporting firms had 15,938 on their payrolls. A year ago, the figure was 15,632; in July 1960, it reached 15,722 and the estimate for November 1960 sends the all-over employment mark up to 15,946.

Fluctuations, it is to be noted, have not been sharp in the comparative periods, but job prospects are increasing with the Yuletide holidays, Thompson noted.

Based on employers' anticipated needs, manufacturing plants will take on an additional 222 workers by November, and this will swell to 387 new jobholders by January.

In the durable goods industries, a total of 380 additions are anticipated by the first of next year.

With declines in construction, fabricated metal products, and food industries, the November 1960 employment total will exceed 1960, and by January will climb up to 428.

Breakdown of Gains
A year-to-date drop of trades and industries in which substantial employment gains are foreseen in the months ahead follows:

Furniture and fixtures, up 13 within four months; primary metal industries, up 202 in January; and along-the-way advance of 127 by November.

Chemicals and allied industries, up 12 by 1961; transportation and warehousing, up 24 by November; wholesale and retail trades, both a slight increase of 3; government jobs, 26 additional; printing and publishing, up 24 above that of last year.

Notably in transportation equipment industries is 1961's first month's job figure ahead of that of a year ago. The gain is recorded as 333 workers.

Tailed among the jobs were a total of 19 types of work. While the outlook is rosy, it should be noted that all-over September figures were below that of two months prior. Last month's tally of jobs in manufacturing fell 64 below that of July, and was 72 off in the durable goods field.

GC Historian, Attorney To Preside Sunday
Granite City's barrister-historian and civic leader, Atty. Burton C. Bernard, will preside at Sunday afternoon's meeting of the Madison County Historical Society.

The place is Edwardsville's new Junior high school, and the time of convening is 2:30 p. m., following a 30-minute musicale by a brass quartet.

Atty. Bernard is president of the society.

Principal speaker will be Prof. Robert M. Sutton, University of Illinois historian and dean of its graduate school. His talk is titled "Illinois' Year of Decision."

Additionally, a plaque will be presented commemorating the life and public services of seven Madison county residents who have served in the U. S. congress. This will be placed in the Edwardsville court house.

Presentation will be made by Arthur C. Boelter, Edwardsville banker, and accepted by Gus Haller, chairman of the Madison county board of supervisors.

From his vast fund of knowledge and information, Atty. Bernard today provided not only a list of native born senators and congressmen, but their years of service in the upper and lower chambers.

Sen. Jesse B. Thomas, 1817-39 and 1821-29; Sen. Ninian Edwards, 1817-34; Sen. James Semple, 1843-47; Sen. Lyman Trumbull, 1855-73; Rep. Daniel Pope Cook, 1819-27; Rep. Robert Smith, 1845-49 and 1867-69; and Rep. William L. S. Hadley, 1895-97.

Two others, native of Madison county, served in the Congress, but from outside the district. They were Rep. William A. J. Sparks, born in Alton, who served in the house while a resident of Carlyle, and Sen. C. S. Deneen, who was a Chicagoan when elected to the upper chamber in 1924.

Parking Ticket
An arrest ticket was placed on the auto of Lloyd Cann, 2428a Edison avenue Tuesday morning by Granite City police who charged him with improper parking in the 2400 block of Adams street.

Twilight Optimists Hear Bond Issue Talks

A Quad-Cities area junior at Southern Illinois University's Alton campus and the chief psychologist at the Alton State Hospital told of the building needs of the institutions Monday night in talks before the Twilight Optimist Club.

At the service club's dinner at Cline's restaurant, speakers were Dr. William Cook, of the Alton mental hospital, and Peter Stieb, Granite City, a student at the Alton center.

Both urged favorable consideration of the Universities and Public Welfare Buildings bonding issues up for ratification at the Nov. 8 election.

Dr. Cook outlined something of the crowded conditions at Alton, and Stieb said that endorsement of the Universities Building bonds would insure, area study, and by January will bring training at the Edwardsville campus of SIU.

Club action on endorsement or disapproval of the bond proposals is to be held in abeyance until Oct. 24, when a third speaker will outline the estimated costs of the projects.

Guests were William Thoele and Dwight Taylor, Granite City.

Girl Scout Troop 91 Plans Bicycle Ride
Girl Scout Troop 91 made plans for a bicycle ride to the Pontoon Beach area and viewed a Hallowe'en skit during a meeting Monday at the home of Mrs. Norman Pfiffeld, 2942 Madison avenue. The play was presented by the Anne Barnes Patrol, and the ride was set for Oct. 20, a school vacation day.

A guest at the meeting was Pam West, and 10 were present. The troop is sponsored by Niedringhaus school PTA.

Rotarians Honor Veteran Colleague. 'Jake' Coolidge

Educator, soldier, fraternal, churchman and service club veteran, Walter F. "Jake" Coolidge was honored Tuesday night by fellow Granite City Rotarians.

The 84-year-old schoolman and Spanish-American War veteran was presented an honorary life membership in the club as he and Mrs. Coolidge occupied seats at the speaker's table at the YMCA.

The life membership certificate was presented by President Dean Mabery, following an introduction by the Rev. David Bruce Maxton, pastor of the First Presbyterian Church, of which the Coolidges are communicants.

In his remarks, the clergyman said that Mr. Coolidge's integrity, honesty, civic and educational accomplishments, and community interests admirably exemplified the Rotarian credo of "service above self."

Mr. Coolidge is a charter member of the service club, founded in 1929; has served as its president, and was active in numerous phases of its scholarship program.

In a career of many facets, his work and accomplishments have been widely reaching. For 19 years he served as principal of the Granite City high school. Prior to that, he taught social studies at the high school for a period of a dozen years.

In recognition of his educational services Coolidge junior high school was named for the octogenarian. He and Mrs. Coolidge have been Granite Cityans since 1913. He retired in 1945.

As a youth, "Jake" Coolidge shouldered a musket and saw service in Puerto Rico, under Gen. Miles during the Spanish-American War. He is past ill.

The Spanish-American War Veterans, and served the Veterans of Foreign Wars as junior state commander.

A native of Galesburg, Ill., Mr. Coolidge received his academic training at Knox College and the University of Chicago. He is a Shriner, a Presbyterian and an Episcopalian.

Floral Tribute
In the outpouring of tributes, Mrs. Coolidge was made to share. There was a floral tribute for the couple. Incidentally, Mr. Coolidge is a "kissing cousin" to the president of the same name. He and Calvin were fourth cousins.

In other action Tuesday night, Rotarians received and approved a fiscal report of its summer time rodeo, showing a profit. Then, some 40 Rotarians made ready to take off at 4 p. m. for Ruryl Moody's Camp Warf, on By-Pass 40, for a Western motored get-together. This was complete with horseback riding, golf, quilts or horseshoe pitching and a feed of barbecued ribs. Vincent Bleschert was in charge of the sports panel, and the chuck wagon was manned by G. W. Hoelscher.

Arrest Ticket Issued
A charge of passing a red traffic light at 20th street and Madison avenue was placed against Charles L. Wise, 18, of 3180 Davis avenue, who was issued an arrest ticket Tuesday morning by Granite City police. He posted his driver's license as bond service in Puerto Rico, under a hearing on Saturday.

Advise Delay Early Corn Crop Storage

Madison county farmers today were cautioned about the early cribbing of the 1960 corn crop. The caution came from Edwin C. Rehmer, chairman of the Madison County Agricultural Stabilization and Conservation committee.

The chairman recommended farmers delay cribbing until they are certain their corn will meet eligibility requirements if they intend to apply for a farm storage loan.

He said information relative to the price support program is available at the county ASC office at Edwardsville.

2 of 7 County Teacher Units To Convene At GCHS Oct. 20

Two of the seven divisions of the fifth annual Madison County Teachers' Conference Thursday, Oct. 20, will be held at Granite City high school, County Supt. Wilbur R. L. Trimpe reported this week. They are the intermediate grades conference and the band-vocal music sight-reading conference. Other locations will be as follows: kindergarten-primary grades conference, Roxana junior-senior high school auditorium; junior high school conference, Edwardsville junior high school; public school nurses conference and high school conference, Triad high school on Route 40 between Troy and St. Jacob; and substitute teachers' conference, Central school auditorium in Roxana. Attendance by teachers is mandatory, and visitors also will be welcomed. Lunches will be served in cafeterias of the host schools. The intermediate conference at the GCHS auditorium will have as its theme, "Understanding the Intermediate Child." Scheduled to last from 9 a. m. to 3 p. m., it will be preceded by a coffee hour at 8:30 a. m. Earl

Lee, Granite City schools' administrative assistant, will preside. Opening remarks by Lee will be followed by the invocation by Rev. James Craddock, Minister of Association president. Boys Scouts will lead the pledge of allegiance to the flag, and the Namook grade school fifth and sixth grades chorus will sing. A welcoming talk will be given by Granite City Supt. Harold M. Kaiser, with greetings by Trimpe. Dr. Steryl Artley, University of Missouri professor of education, will address the gathering of teachers at 10 a. m. on "Reading in the Intermediate Grades," and a talk on "Helping Teachers Understand Children" will be given at 1 p. m. by Dr. Cameron W. Meredith, director of education for the Southwestern Illinois Campus of Southern Illinois University. Ray Rhine, psychologist employed jointly by Madison county schools, will speak at 2:15 p. m. Meek To Be Chairman

Louis E. Meek, band director at Granite City high school, will serve as general chairman of the band sight-reading conference in the GCHS band room. Sessions will last from 9 a. m. to 3 p. m., with lunch from 11 a. m. to noon. Paul W. Roloff of the Highland school district, president of the Madison County Vocal Music Educators' Association, will be in charge of the vocal music conference in the GCHS vocal music room. Between 9 and 11:30 a. m., a representative of the state music supervisor will discuss music education in Illinois and the philosophy and suggested procedures for teaching vocal music in all grades. The schedule calls for a discussion from 12:30 to 2:30 on organization, scheduling, class size, minutes per week, music used, programs, select choruses, general choruses and classes in music theory or appreciation. An association meeting will be held from 2:30 to 3 p. m. Participants in discussions during the high school con-

State Leads In Money Spent For Sewers

Illinois leads the country in dollar value of contracts totaling \$88.5 million for sewer treatment plants, it was announced this week at Springfield. For each dollar of federal grants, Illinois communities spent \$2.25 in 1959. National average for each dollar the federal government has put into the program for sewer treatment facilities is \$3 of community funds. Of the 91 sewerage treatment plants completed in Illinois last year, 22 were partially constructed with federal grants. "This report indicates that the program of the Illinois Sanitary Water Board to prevent and abate pollution of Illinois streams is not geared to the programs of federal grants," according to Clarence W. Klason, chief sanitary engineer of the Division of Sanitary Engineering, Illinois Department of Public Health. "It further indicates that Illinois communities recognize their responsibility to treat and dispose of their waste, thereby contributing to the health of their citizens. This cooperation of state and municipal governments in Illinois has been cited by other states as an example for all to follow and has won Illinois international recognition for its accomplishments in abating water pollution."

ference at Triad will include Miss Shirley Gott of Venice, "Vocational Education in Illinois Today," Richard Yates of GCHS and Mrs. Zahn Wells of Venice, "Athletics, Physical Education, Safety and Driver Education"; Wayne P. Carlisle of Madison, "The Implications of Six Ideas"; Joe Naglich of Madison, "New Trends in Math Instruction"; and Al Lewis of GCHS, "Social Studies Trends."

Teachers In 'Class' Friday, Area Pupils Win Holiday

With its theme, "Democracy in Education, Education in Democracy," the second year AFL-CIO Teachers' Education conference will attract hundreds of southwestern Illinois classroom teachers to East St. Louis tomorrow.

And Quad-Cities public schools will get a holiday, but their teachers have a full-day of "schooling" ahead of them. The auditorium of East St. Louis' high school is the locale, and the schoolmen's conference has been called by the southwestern division area council of the Illinois Federation of Teachers (AFL-CIO). Invited to attend have been State Supt. George Wilkins, Springfield; Missouri Supt. Wilbur Trimpe, and St. Clair County Supt. Clarence Blair.

Local Participants
Quad-Cities educators, schoolmen and those who hold office and committee assignments within the Federation. Included among area teachers and administrators who are on conference committees and hold offices are: Guy Lehr, Willie G. Watts, Bill Snedecor, Joe Naglich, Paul Meyers, Lee Reed and Katherine Van Order. Lehr is vice president of the federation; Miss Van Order, treasurer of the area council. These will be joined by other Quad-Cities teachers in a strong area representation. Highlights of tomorrow's program include: Talk by Rep. Melvin Price (D, East St. Louis) on "Safety Training Program;" "Safety Training and Drivers Education," by Secretary of State Charles Carpenter; "Psychology of Teaching," by Dr. Glenn M. Blair, University of Illinois psychologist; "Relationship of Special Education to the Total School Program," Dr. Ray Graham, state director of special education; "Urban Renewal and Development facilities is \$3 of community funds."

Local Agent For Missouri Corporation

A foreign corporation charter has been issued for the Vitter Shopping Centers, Inc., Missouri, with J. J. Thyson, 2633 Iowa street, and offices at 408 Olive street, St. Louis, as registered agent in Illinois, according to an announcement from the office of Secretary of State Charles F. Carpenter. The firm, with a stated capital of \$2000 in Illinois, was incorporated to conduct and carry on real state and construction business. The officers are Alvin B. Vitter, of St. Louis, president, and Gustav A. Vitter, also of St. Louis, secretary.

Sale of Former Liberty School, Campus Nov. 4

Sale of the former Liberty grade school and its campus will be held at 10 a.m. Friday, Nov. 4, at the school site on East 19th street and Park avenue.

Requested by the Granite City school board, the public sale has been called by the township school trustees, George Hughes, Roger G. Paulett and Arthur L. Frazier.

The trustees will be in charge of the transactions which involves seven lots. Both the building and grounds are to be transferred to the buyer.

Terms will be 10% on the day of the sale and the balance within 30 days.

Abandonment of the temporary frame school, first used during world war I, was promised in the 1957 school bond issue campaign. Construction of new schools under this bond program has been completed.

FIRST ASSEMBLIANS INVITE YOU!

To The

Second Anniversary Service

Pastor Paul & Virginia Lee

First Assembly of God Church

24th and Grand Ave.

Oct. 16 - 7:30 p.m.

If you have never met our Pastor and his wife, this is a fine opportunity to do so. An inspiring and edifying service with fine music and preaching await you — followed by a good time of fellowship and refreshments. Make plans now to attend!

Rev. Evans To Be Honored Sunday

Rev. Paul Evans and Mrs. Evans are to be honored at 7:30 p.m. Sunday during a special service at the First Assembly of God Church, 24th street and Grand avenue, honoring his second anniversary as pastor.

The program will include expressions of appreciation from the departments of the church, the official board and by Rev. James Craddock, president of the Tri-City Ministerial Association, of which Rev. Evans is vice-president.

There also will be special music by the Cherub, junior and sanctuary choirs of the church under the direction of Mrs. Paul Evans, and a solo by Miss Gwendia Lee O'Guin.

A highlight of the program will be a review of the church progress in the past two years. This includes a building program started nearly three years ago and now in the construction stage with the first phase — a \$182,000 sanctuary to be completed in 1961 at the present site.

Rev. Evans will deliver a "State of the Union" message during the service to which the public is invited. There will be a fellowship hour with refreshments following the service.

Others taking part on the special program will be Miss Hazel Rhoades, organist; Edwin Weiss, Edwin Hagler and Cecile Talley, members of the official board; John Patrick, Fred Rupp, Robert Spengler, Miss Sylvia Spengler and Jerome Rider.

HOME OWNERS INSURANCE, CALL REINHART

MRS. ROBERTA LAMBERT, newly-named Quad-Cities chairman of the New March of Dimes campaign, is shown here, second from left, with a distinguished panel of National Foundation personalities. Left to right: J. Robert Smith, Chicago, Mrs. Lambert, Dr. Jonas Salk, Mrs. Dale Ragus, Wood River, Mrs. Joe Weide, Alton, and Wilmer Cook, Collinsville.

Mrs. Lambert To Direct '61 Area Dimes Campaign

Return from the Chicago gathering of 600 National Foundation regional volunteers, Mrs. Roberta Lambert, 1531 Lindell blvd., is charting plans for the January month-long, New March of Dimes fund drive in the Quad-Cities.

Newly-appointed Quad-Cities chairman of the '61 campaign, Mrs. Lambert said today, the New March of Dimes solicitation would run through January, highlighted by the Jan. 31, door-to-door Mothers' March.

New March of Dimes research, under direction of the National Foundation, has saved thousands of Americans from aralytic polio and is rapidly expanding its efforts to prevent other major crippling diseases," she said today.

Urges Participation
Urging Quad-City residents to "please say yes" to the New March of Dimes campaign, Mrs. Lambert pointed out that twice within the last five years, National Foundation research has scored major medical victories. "The announcement that the Salk vaccine was safe, potent and effective electrified the world. Two months ago the U. S. surgeon general announced that the Sabin oral vaccine, also financed solely through March of Dimes contributions, would soon

be licensed for use in this country as a working partner to the Salk vaccine.

Dr. Salk Attends
Dr. Jonas Salk was among the 600 attending the Chicago regional sessions.

Others, in addition to Mrs. Lambert, included: J. Robert Smith, Chicago, Illinois State chairman of the '61 campaign; Mrs. Dale Ragus, Wood River, Madison County executive secretary; Mrs. Joe Weide, chairman of the Alton Mothers' March; and Wilmer Cook, Collinsville, Madison county chapter treasurer.

The national goal of the New March of Dimes is \$45 million, Mrs. Lambert pointed out. Local quota has not been fixed.

Study By County Needed To Clarify Health Proposal's Benefits, Duplications For Voters

Proposed creation of a Madison county health department poses a problem for Quad-Cityans on Nov. 8. In voting "No", they might appear to be opposing needed health improvements and ignoring dedicated efforts by supporters of the plan. But in voting "Yes", they would authorize a new, large and costly governmental agency and possible duplications of services and costs.

Based on the \$2 per capita cost of the East Side Health District and the five-cent maximum tax rate listed for the proposed department, yearly spending could top \$400,000 and might exceed \$600,000 if a capital investment was later voted. A large staff of employees would be hired by a board of health appointed directly by the Madison county Board of Supervisors.

Such a program certainly would do some good, but its specific services would be up to the board of health, and no one can say definitely what they would be or how efficiently they would be carried out. It is not logical to predict a high degree of effectiveness, while simultaneously saying the department is needed partly because existing health services are not adequate and partly because performing the tasks assigned to them.

The question of overlapping is important. Substantial taxes already are being paid for school nursing staffs, township health officers, city health inspectors, a state clinic and related services. Would these programs be curtailed or eliminated and taxes reduced accordingly? Would the new department devote itself entirely to fields not now covered? Answers are difficult to find, and the entire proposal appears too nebulous at this time for a project of such large scope and financing.

Arguments for the department often are enlightening, but sometimes they are ambiguous. Much has been said about river pollution, but the health department would have little authority in such an area, and programs already are in progress to end this problem. There also are misunderstandings among proponents of the new department, on what the costs would be, what functions would be included and what existing services, if any, would be eliminated.

It is clear that there would be benefits from a county health department, that much is true, but a study has been done on behalf of the proposal and that there is widespread public interest. But because too much is unknown, it would seem preferable now for the County Board of Supervisors, in cooperation with interested citizens, to undertake a study to determine what health problems actually exist, where there would be duplication and how it could be eliminated, as well as a concrete projection of the services to be performed. Perhaps university staffs could participate in the study, enabling it to be completed at minimum cost.

Everyone is for efforts to achieve good health, both individually and publicly, but advances in the cause of health or any other field should not be made on a "blank check" basis. The Press-Record believes the county health program should be spelled out in greater detail before being approved. Benefits can be lost or reduced by going ahead largely on hopes and wishful thinking, rather than facts fully substantiated and widely known.

Younger Group Separated From Older Delinquents Through New State Home

With progress being made by local and state juvenile agencies, plus a Madison county juvenile home scheduled for construction soon, the program of guiding and supervising Quad-City juveniles is being steadily improved.

In opening its first home for delinquent youths, located at the Lowden Memorial, State Park, the state government this fall is removing boys in the 9-to-12 age group from the influences that surrounded them at reform schools where they were grouped with older boys.

The purpose is to separate them from such influences as well as from an unsatisfactory home environment, giving them a chance to achieve normal and happy lives. Such a procedure should prove helpful to the individuals, and certainly should be of benefit to the state.

The mental level of the human race is suspect every year about this time when the latest fashions from Paris arrive.

Newspaper Week Spotlights Role As Freedom's Guardian

National Newspaper Week has come of age. Its 21st anniversary will be observed Oct. 15-21 with the theme of "Your Newspaper—Freedom's Guardian."

Public recognition of the close link between a free press and the continuation of individual freedom also has come of age. Time and time again, dictators have found it necessary to muzzle the press—a sure tipoff to a new government's abandonment of its avowed principles.

It has been 169 years since the bill of rights went into effect in this country, but the duty of safeguarding its guarantees remains ever new. In this task, newspapers are the partners of the people.

Freedom of the press is not the sole property of newspapers, but of all the people. It is their guarantee of the right to know and their insurance against demagoguery. Freedom of speech is not the prerogative alone of politicians and platform orators, but the people's guarantee of free and unafraid expression of their convictions. Freedom of religion is not the pastor's property, but the people's guarantee of freedom of conscience and of divine worship in accord with that conscience.

National Newspaper Week is designed to focus attention on those freedoms. In a spirit of urging all to help maintain these freedoms—so vital to the democratic process—the Press-Record joins in observing Newspaper Week and in re-dedicating itself to these ideals.

There is only one problem about money harder to solve than making it, and that is keeping it once you have made it.

Penalties In All Local Cities For Littering Streets, Yards

A community is only as neat as its people keep it, and there have been complaints of recent failures to comply with local anti-littering laws. Scraps of paper, rubbish and other debris have been discarded needlessly on streets, sidewalks and yards.

A check of city ordinances reveals that this practice is not only thoughtless but can be an expensive habit. Penalties for each offense range from \$3 to \$50 in Venice, \$3 to \$100 in Granite City and \$5 to \$200 in Madison. For the sake of the overall appearance of their home community, and for the benefit of their pocketbooks, Quad-Cityans should abide by the rules.

Political Leaders To Be Topic At Workshops

The sixth workshop session of the Tri-Cities Chamber of Commerce will be held Monday afternoon at the Granite City Police Station. The topic will be "The Political Leader's Problems" during meetings next Monday—7:30 a.m. at the YMCA and 11:30 a.m. at Cline's club-room.

John McBride, discussion leader, said the topics to be discussed will be Characteristics of political leaders, recruitment and training of workers, the leader and the candidate, patronage, financing.

November Draft Quotas Announced For Area

November draft quotas for the Quad-Cities area were announced today at the county selective service office in Edwardsville.

Five local youths are in report to the county office Nov. 14 for armed forces induction, while nine are to report there Nov. 1 for pre-induction physical examinations.

This month's quotas call for seven men to be inducted and eight to report for pre-draft physicals on Oct. 31.

Columbus Day More Or Less Unceremonialized In Hand Cleaning Rifle

Columbus Day, Discovery Day, the anniversary of the Admiral of the Ocean Sea's landing on a tiny Caribbean island, yesterday was a semi-public holiday—says so in the statutes.

But one would hardly know it, except for the bed lettering on the calendar.

County employees got off from work, and so did workers in a number of area state offices. However, Quad-City city halls, post offices, federal bureaus and the mailmen were on the job, and business in the downtown sectors continued at a crisp, fall pace.

But the day was not by-passed without some commemoration. Sunday, the Granite City Knights of Columbus held a Columbus fete, and Columbian exercises were held in public schools.

Most of the area's parochial schools were in recess today to permit the nuns to attend a diocesan schools convention at Springfield. So, it was a holiday for quite a number of the kiddies.

In fourteen hundred and ninety-two, Columbus sailed the ocean blue. This little rhyme dating back to childhood was an easy way to remember a date. Historians have through some calculations fixed Oct. 12 as the date Columbus landed his caravels on or near Hispanola.

On his second voyage of discovery, in 1493, he touched on land now under the Stars and Stripes. That was St. Croix Island, in the Virgin Islands group. Otherwise, the intrepid voyager never touched American soil.

Jaycees To Hold Dance For Public Safety

The Granite City Junior Chamber of Commerce's public dance "Project 61," will begin at 9 p.m. Saturday, Oct. 15, at the Venice-Madison American Legion home, 740 Broadway, Venice, Larry Holder, committee chairman, has announced.

Admission will be \$1.25 a person or \$2 a couple, and an orchestra will play for four hours. Proceeds will be used to carry out varied Jaycee activities. The group currently is seeking to increase its membership to 61 by June 1, 1961.

WE CAN SELL YOUR HOME!
Once again we are almost sold out of homes! We have many
prospects, and YOUR property may be just what they are
looking for. We'll gladly look over your home, and give you
a suggested sale price. No obligation—of course. Call now.

How To Get Your Salary Raised
or the equivalent by not having to pay rent. Put your rent
money in a savings account at 4% and watch it grow. Here's
the plan: naturally, in order to make money work for you,
you have to have some of the stuff. This deal takes \$4500.00.
For this amount you can live in one of the finest built homes
in town, rent free. 2012 Cleveland consists of 2 bedrooms,
full bath down, and 3 bedrooms and full bath up, 2 car gar-
age in rear with 3 additional rooms. You will receive \$150.00
month income which will offset your payments of \$150.00.
Imagine years of free rent while the property pays for itself.

One Block From Harris School in Madison
1600 Sixth Street is available for immediate occupancy. 3
bedroom brick with living and dining room plus 14 x 14 ft.
kitchen with built-in stove and oven, and also full base-
ment. Call today for appointment.

BEAT THE HIGH COST
of living on this 10 acre farm just a few minutes ride from
town on Route #1 Edwardsville. Excellent land, 3 bedroom
house with full basement, tractor, plow, cultivators, 29 hogs,
125 chickens, and other farm buildings. This farm is priced
for fast sale.

2804 DELMAR: Soon under construction near the entrance
to Wilson Park, a beautiful story and half Colonial brick
home. This home will feature 3 large bedrooms, living room,
den, kitchen/dining area with built-in range and oven and
garage disposal, and 2 full bathrooms. Call for additional infor-
mation. Priced at only \$24,500.00.

3312 PRINCETON, in State Park Place off Route 40 by Fair-
mont Race Track, brand new 2 bedroom, just completed and
ready for immediate occupancy. Priced at only \$5900.

2921 RUSSELL: 3 room brick with bath and full basement in
front; 3 room house in rear and large garage. \$800 down will
handle. \$6900.

2900 INDIANA: One block from this lovely home and you'll
be at Wilson Park for family fun and cook-outs. This ultra
modern home which consists of 3 bedrooms, dining room, kitchen
and stone fireplace is available for immediate possession.
Priced right.

2540 WATERMAN AVENUE: This beautiful low, rambling
rancher was planned and built by a building contractor for
his own family. Two huge bedrooms, dining room, 2-car
garage, wall to wall carpeting, ceramic tile bath and kitchen,
loaded with extras.

2448 TERMINAL: Why pay rent when you can own your own
home. Low down payment will move you in next week into
this new 3 bedroom home with basement.

2804 EDWARDS: Cute 2 bedroom home with fireplace in liv-
ing room, large kitchen with garbage disposal, and full base-
ment. This home is available for immediate occupancy.

IN MEMORIAM

In memory of STEVE PUHSE who passed away Oct. 12, 1958: You left us oh so suddenly. You bid farewell to none. Your loving heart ceased to beat. Before we knew that you were gone. We mourn for you in silence. No eyes can see us weep. But many a silent tear are shed. While others are asleep. Sadly missed by HIS FAMILY 10:13

Curriculum Study Being Continued In Schools

A curriculum study launched last year is being continued this year in the hope of further revising and improving the course offerings in the Granite City school district. Superintendent M. Kaiser reported to the school board Tuesday night.

Changes put into effect this fall included creation of "block" instructional periods at the junior high level, expansion of high school and junior high foreign language programs and increased explanations of the available curriculum to students and parents.

Ten study committees will function during 1960-61, with Dr. Kaiser as coordinator. They are composed of principals and members of the central administrative staff.

The committees, with chairmen listed first, are as follows: Remedial reading (kindergarten to sixth grade) — Edna Klein, Ralph Frohardt; Bobbie Joe Davis and counselors; junior high program — Assistant Superintendent D. Johnson, Klein, Frohardt, David Castle and Davis; subject areas in secondary schools — McCauley, Steve Jones and Johnson; vocational and adult education — M. A. Witte-vonuel, James and Frohardt; and special education — Harold Thomas, Earl Lee, Bushue and (kindergarten-sixth) — Harry Davis.

REFRESHMENT BREAK is taken by these girls during a recent meeting of the Granite City YMCA which saw the organization of several junior Tri-Hi-Y clubs.

Returns From Hospital

Mrs. Zella McCleary, 2301 Kirkpatrick Homes, returned Wednesday from Christian Welfare Hospital, East St. Louis, where she was a patient for several weeks while recovering from a fall in which she sustained a broken hip. She is convalescing at the home of her daughter, Mrs. John Toth, 4023 Maryville road.
